The Town of Newport is treated as a non-profit organization for income tax purposes due to its status as a New Hampshire municipal corporation. Your generosity may qualify as a charitable donation for tax purposes and could potentially be counted as a deduction from your annual income tax obligation. Please consult with a professional accountant to determine if such a donation may be utilized as a deduction, to determine the effects of returned funds, and what, if any other tax benefits could be associated with your donation.

The Town of Newport shall establish these donations as charitable trust funds from which they shall be maintained and invested in separate account(s) from the Town's general operating fund. Any donation of money to the Town of Newport, for this purpose, shall be deemed irrevocable unless and until the Town decides to abandon its plans for this project. In the event that the Town chooses to terminate all efforts to construct a new community center, the Town shall refund any and all money provided from donors in the original amounts as given to the Town. Any interest accrued from said donated funds shall remain the sole property of the Town of Newport and will be appropriated, by same, for any purpose as allowed by New Hampshire law.
