

TOWN OF NEWPORT

2017 ANNUAL REPORT

The publication of this Annual Report is made possible through the combined efforts of the Newport Board of Selectmen, Town Manager, Department Heads, Town employees, volunteer committees and the Newport Historical Society. The goal is complete accuracy. If changes need to be made they will be recorded at the Town Manager's office.

Liselle Dufort, Editor

Printed on Partially Recycled Paper By: Gnomon Copy

The art on the front and back cover of this report was produced by third and fourth grade students at Richards Elementary School. The assignment was titled "What makes Newport special". They made a giant list in each class of all the places, events, and people that make our town special. Next, the children decided what they were going to draw, and then colored with crayon and/or colored pencil. The art class is led by Mrs. Mauser-Rowe.

IN DEDICATION to E. MARIE BUGBEE

With a vibrant love of life, an infectious smile, and a heart to serve others, **Edythe Marie Bugbee** is a pillar of light, a role model to so many, and certainly one of Newport's most treasured citizens. To know her is to love her.

It's not often that a town "calls out" to someone the way the Town of Newport did to Marie and her husband Robert Mosley as they traveled through New England looking for a new place for their family to call home. Their daughter Kathryn recalls that they not only found the town to be exceptionally beautiful, but they were also warmly welcomed by a friendly and active sense of community.¹ They immediately knew that this is where they would call home. Marie moved to Newport in 1951, and with her warmth, creativity, and dedicated service, she has helped to make the town she loves a more beautiful place ever since.

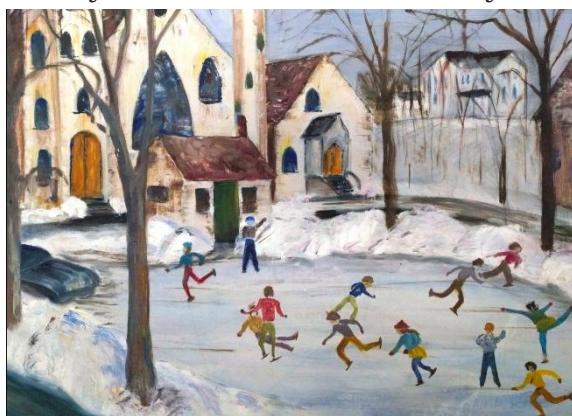

Born in Thomaston, Maine in July of 1922, Marie enjoyed her childhood near

the coast of Maine. She married Robert Mosley in 1944, and had three children: Kathryn, Michael and Melissa. They enjoyed great memories during their early years in Newport at their home on DeWalt Avenue. After Robert unexpectedly passed away after a tragic fall while helping a friend to shingle a roof, Marie later married Orimer Bugbee in 1961, and welcomed another daughter—Jennifer. Tragedy struck the family again years later when their daughter Melissa died at the age of 19 in a fire. While Marie certainly has faced many devastating losses, she has always chosen—even in adversity—to see the good in each

experience in her life. Approaching life with an open mind and a unique willingness to embrace change, Marie has a strong sense of what is most important, and she reflects this through her work, the causes she believes in, and the way she spends her time. Believing that many of the great things in life are found by saying "yes" and taking that first step, she is always quick to accept an invitation for a new opportunity or experience.

Those who know Marie know that she is passionate about many worthy causes, and

Marie's Painting of Skating on the Common

¹ Jayna Huot Hooper, *Celebrating Community, Newport, N.H., 1761-2011: 250 Years and Beyond*, p. 274

she pours her heart and soul into what she believes in. Service to her community has been a central theme in her life in Newport. Over the years, she has helped support and sustain many of the town's important institutions, serving on the Board of Directors of the Home for Aged Women, and as a member of the Board of Trustees of Richards Free Library. As a volunteer at the Newport Service Organization, Marie spent countless hours serving at the Newport Thrift Shoppe, and held office in the NSO. She was honored in 2017 at the NSO annual banquet for her many years of service.

Crafts Fair because it sounded like a "wholesome piece of Americana." After several years of running a successful fair on the town common, their idea had blossomed, and they decided that it was time to turn it over to the Library Arts Center as a potential fundraiser. Marie is still an active volunteer for the event today, often helping to bake and sell pies for the Fair.

As a gifted quilter, Marie has been a member of the Soo Nipi Quilters' Guild from its inception to the present. Much like her vibrant personality, she is known for her use of bright, vivid colors and playful patterns in her pieces. She worked at Kathan Gardens in the spring for many years and is still an

One of Marie's most notable contributions was her role as the first volunteer director of the Library Arts Center, founded in 1967 by her good friend Marjorie Dorr. As a practicing artist, this role was a natural fit for her, and she spent much of her time there coordinating exhibits, classes, concerts, lectures, and many more programs to lay a strong foundation for one of Newport's premier arts organizations. Her granddaughter, Kate Niboli Luppold, presently holds the position of executive director at the Arts Center, and is furthering the great legacy of the community arts organization founded 50 years ago.

It was Marie's creativity, along with her daughter Kathryn's, which birthed the famous *Apple Pie Crafts Fair*, beginning as an idea that was discussed on the Bugbees' back porch 45 years ago. The pair realized that Newport needed an organized fair for local crafters and shoppers. They decided to name the event the *Apple Pie*

avid gardener. Marie graciously volunteered at Towle School, reading to and with students on a weekly basis for several years.

Perhaps more than anything else, Marie feels that she has been richly blessed with remarkable family and friends, and truly cherishes each and every moment she is able to spend with them. Her children are Jennifer Bugbee O'Neil and her husband John O'Neil, Robert Michael Mosley and his wife Zoe Ambargis, Kathryn Mosley Niboli and her husband, Ted Niboli, and Marie's daughter, the late Melissa Mosley. She also treasures her grandchildren: William and Lucy O'Neil, Graham Mosley, Kate Niboli Luppold and her husband James Luppold, Lesley Niboli Scheele and her husband Robert Scheele, as well as two great grandchildren—Jackson and Olivia Scheele.

Having celebrated her 95th birthday in 2017, Marie is still quite active in town life. She rarely misses an opening at the Library Arts Center or a production at the Newport Opera House, and is very active at South Congregational Church where she has been a member since moving to Newport.

She draws admiration and respect from so many, and brings light and life to this town. When you encounter Marie, you can't help but leave as a better person.

*Respectfully submitted, in tribute to my dear friend Marie Bugbee,
Fran Huot*

BOARD OF SELECTMEN

Your Board of Selectmen, consisting of myself along with Todd Fratzel, Bill Wilmot, John Hooper, and new comer Barry Connell, are pleased to provide this update on the Town's progress and our vision for the next year. Barry replaces David Hoyt, who provided three years of dedicated service to the needs of the people of Newport. Barry is a quick study, learning how our board functions, eager to step forward and take on responsibilities, and is ready to voice his position.

Town Manager, Hunter Rieseberg, since joining us 18 months ago, has had a significant positive impact on our community and is providing the leadership to continue to improve Newport for all of us. He meets with our business, community, and regional leaders regularly. Several of the areas where Hunter's efforts are impacting our residents and our delivery of service include the change to LED streetlights and LED lights in town offices, solar power to meet our town and school electricity needs, and a definite proposal for the long discussed community center. Hunter has also brought to completion a study of the conditions and needs of our town buildings, an assessment of the operations of our fire and EMS department and a wage and classification study that will assure us that town employees are adequately paid for the service they provide to Newport.

Last summer, after receiving approval from the Board of Selectmen, Hunter arranged to join with Sunapee's and Newbury's streetlight project and have Newport's streetlights changed to LEDs at the same time. The result is the better, even street lighting we now have. The savings in electric costs have already paid for the conversion and allows us to reduce the street lighting cost in next year's budget by \$23,000. Looking ahead at other areas for collaboration, Hunter is in discussion with our neighbors about consolidating our bids for items like road paving and winter salt purchases, where the economy of scale will reduce costs for all the communities.

With approval at Town Meeting, Newport will enter into a 25 year agreement with Norwich Solar Technologies for placement of 2 megawatts of solar arrays on town properties to supply the electrical needs of the town and schools, including the library and historical society. In exchange for our commitment to purchase electricity from the solar array for 25 years, with an annual increase of cost of 2% (less than the estimated commercial annual increase of electricity), Norwich Solar Technologies shall be responsible for all installation and maintenance costs of the solar arrays. Our initial savings will be small, but

will grow over the years and provide Newport with stability in our electricity costs. Once the solar array goes online this fall, “The Sunshine Town” will have the largest municipal solar array in New Hampshire. Norwich Solar Technologies was selected for this project from a field of 8 companies the town requested proposals from.

For several years, the Newport community has talked and studied the need for a new recreation/community center to supplement or replace the current over crowded recreation center. These efforts have not produced results or even a location for a new center. In order to jump start this effort, the Board of Selectmen agreed to the Town Manager’s request to advertise for and hire a facilitator to help the committee. The recommendation of the committee, which included Selectman Todd Fratzel and Recreation Director PJ Lovely, is to build a new community center by Meadow Park, where the current Little League field is located. The expectation would be to move Little League across the street and high school baseball and field hockey would be moved to fields by the high school. The Board of Selectmen accepted the committee’s recommendation and are asking the citizens for a one time investment of \$200,000 for the design and engineering costs for developing this new community center. Once we have the design and engineering for our community center on the Little League field done, we can make informed decisions about the final costs and size and decide what changes we need and determine how to finance it, including grants and donations. This new community center will benefit the children and adults of Newport that use the facility and will provide a positive social and economic signal to families and businesses that are considering moving to Newport.

Last year at this time, Sullivan County was in a draught and we were concerned about our ability to supply Newport’s needs for drinking water. We are no longer in a draught, but we are continuing to plan for the future water needs of the town. In order to learn to a greater degree the amount of available water in Gilman Pond, the Town Manager realized we needed a survey of the pond to be performed. Instead of contracting a commercial firm to perform the work, Hunter developed a collaboration with the University of New Hampshire to survey the pond. Last fall students from UNH’s College of Engineering and Physical Sciences surveyed the depths and contours of the pond. Their work leads us to realize that Gilman Pond has a far greater reserve of water to supply Newport in times of draught than is currently accessible. This spring, the students return to complete their work for us and for their academic credit, and we can start planning to access the reserve of Gilman Pond when it is needed.

As reported last year, the phosphorous removal plant at the Waste Water Treatment Plant continues to demand attention from the town manager and town staff. The plant, which has never performed as proposed, will need to be

replaced. We continue down the path toward remediation and Hunter has been keeping a close eye on the legal proceedings and protecting the Town's position as the different companies involved with the plant try to shift blame.

With approval of the operating budget and the individual warrant articles for next year, we will see activity taking place throughout the town. Replacement of the Oak Street bridge and the Coon Brook bridge will begin. Water and sewer utilities in the 1st, 2nd, 3rd, 4th and Knoll Streets areas will begin. We will continue to repave roads throughout town and the sidewalk on sections of Cheney Street will be replaced, similar to the work done on the sidewalks on Beech and School Streets.

Let me thank all of you for allowing myself and the other members of the Board of Selectmen the privilege of serving you. I also want to thank all of the town staff and the many volunteers that contribute their time and make Newport a great place to live.

Jeffrey F. Kessler

Chairman, Newport Board of Selectmen

TOWN MANAGER'S 2017 LETTER

Town Manager
Hunter F. Rieseberg
manager@newportnh.gov

Executive Assistant
Joanne F. Dufour
jdufour@newportnh.gov

What an exciting first year this has been. I am so fortunate to have found such a friendly, warm and welcoming community like Newport. As I go about my everyday duties, I continue to learn more about the Town, its history, its needs, and most importantly, its citizens and their dreams for the future.

This past year has indeed been a busy one. We are pleased to have undertaken and/or completed a number of ongoing and new initiatives. Among these are included; preparing for the construction of the largest municipal solar array in the State that will produce enough power to offset the Town's (incl. the School District, Library, etc.) electrical needs; a new roof for the Department of Public Works Garage; beginnings of the systematic replacement of aging sidewalks; renovations/painting projects for our Police and Fire Departments; conversion of all of the Town's street and office lighting to LEDs; demolition of dilapidated buildings; a feasibility study to consider a new Community Center; a comprehensive buildings assessment; a town wide wage and benefits study; preparations for the replacement of the Oak Street and Coon Brook bridges, along with infrastructure replacements for First, Second, Third and Fourth Streets, etc.

We are also pleased with this year's budget proposal. With the cooperation and support of all concerned, the voters have been offered a proposed overall budget (all funds) of \$9,989,732. This budget represents a gross decrease of \$9,764 below last year's budget. After accounting for reduced revenues for this same period, the net budget increase is \$917 or .02%. This suggests a change in the municipal tax rate equal to approx. .08/\$1000 in valuation or .67% - exclusive of any warrant articles that may be adopted.

As for next year, we are anticipating continued forward momentum of these worthwhile initiatives. With your support, we will be busy managing many of the projects started or referenced above throughout the community. We will be working hard to address and to prepare for the following year's activities, which will include: further attention to maintaining or replacing the Town's infrastructure; the Town's out dated salt/sand storage shed/system; repairs to the Newport Opera House; enhanced paving and repairs to gravel roadways; updating the Town's accounting systems/capacity; continuing replacement/repairs to our sidewalk system; enhancements to the Town's water supply/system;

future wastewater treatment plant upgrades; the development of a long-term Capital Improvements Program (CIP); and maybe a new Community Center - just to mention a few.

Down the road, there will be challenges ahead. There will be difficult financial decisions to be made. There will also be great rewards that will come from our collective efforts to find creative solutions to our needs. I am confident that with the extraordinary support, passion and love that Newport's residents have for their community, we will find our way and move our community forward.

I would like to offer my sincere thanks to everyone who has helped me along my way: an insightful Select board; our dedicated staff; the many Commissions/Committees and volunteers who all work so hard to serve the people of Newport. Of course, none of our efforts would be possible if it were not for the continuing support of the people of Newport. It is through these combined efforts that we make it all work. What a great community this is – and the best is yet to come.

Please accept my standing invitation to each of you to stop by our offices and to share your concerns or to just chat... the door is always open! Thank you again for the opportunity to work for you.

Most Sincerely,

Hunter F. Rieseberg
Town Manager

CEMETERY BUILDINGS & GROUNDS DEPARTMENT

CEMETERY BUILDINGS & GROUNDS MANAGER

Ken Dennis

STAFF

Jim LaFont
Sylvia McElreavy
Glen West

It has been a busy year for the Cemetery Buildings and Grounds Department. In addition to our regular duties that include taking care of the Town's buildings, cemeteries, parks, public areas and Town owned properties, we were also involved in an extensive project to clean up all of the road sides in the town of trash and debris from all of our surrounding town lines to the center of town.

A Garden Club was formed in the fall with the hopes that come summer volunteers will be out in the community beautifying the Main Street areas, the new parking lot on Sunapee Street, planters and the numerous different parks in the Town such as Campbell Park, Horsey Park and Maxfield Park to name a few areas.

Two 50 year old steam boilers were replaced with new more efficient units in the Opera House as well as ongoing interior plaster repairs and upkeep. A Kiosk for the Opera House has been designed and is in place in front of the Opera House to keep members of the community and those interested in the arts informed of upcoming events.

Work began on the crypt roof in the North Newport cemetery this past fall. A slate roof will be installed on the crypt this spring. Another project completed was the daunting job of removing several very large, old, unhealthy pine trees from the older section of the cemetery to protect the older headstones from damage due to falling limbs. New oak trees were planted in the front of the new section of burial plots in the North Newport Cemetery which has enhanced the beautiful location and creates a natural buffer from the road.

A lot of time was dedicated to the securing and cleaning out of many Town tax deeded buildings and weekly up keep of the properties such as lawn and tree care and ensuring the buildings were secure. Our team was instrumental in supervising the demolition of certain Town deeded buildings that were hazardous or beyond repair to be rehabbed.

Our department was also given the task of putting up all of the Christmas lights in town and around the information booth and town gazebo where the Christmas Tree of Lights once again stood. Special thanks to two of my crew members who really stepped up to the plate to get this job done, Jim LaFont and Glen West.

Submitted by Ken Dennis, Cemetery Buildings & Grounds Manager

Liaison #1

Kaara K. Gonyo

Liaison #2

Wayne Conroy, Fire Chief

We are asking for your help in assisting us to keep you safe. Please use and display your correct property location address. If you have a question about what your property location address is, please feel free to call us at 863-6407. It is important in the case of an emergency that the responding personnel can easily locate your property and not be delayed because they can't find your property.

TIPS FOR VISIBLY POSTING YOUR ADDRESS:

Posting your correct E 9-1-1 location address in a visible location from the road may be done by posting your number on your mailbox, a tree by the road next to your driveway or if your house is close enough to the road, post the number next to or on the door. In the case of an apartment building, the street address should be clearly visible and each unit should have the unit number clearly displayed.

WORDS FROM THE FIRE CHIEF

Newport Fire-EMS is unique to the community in that it is a combination of full-time Career Firefighters and on-call Firefighter and EMTs that work together to answer the Emergency calls for Newport and surrounding communities. This year the Fire Department responded to 667 calls for service. In Newport alone, we operated at 6 building fires and 1 brush fire. EMS Division responded to 1,132 calls/patients with about 1,050 calls in Newport. I would like to thank all of our EMTs for all their hard work and dedication to the Town. Many hours of training, run time and on call time are put in each year by the members. Without them, none of this would be possible. Also, a big thank you to all the family members of our EMTs; without your support, they would not be able to do what they do. All our personnel have fulltime jobs and families that involve a lot of time each week but they find time to give back to the Community.

The career personnel work a 24-hour shift with a 4-day rotation, and also Monday through Friday shifts 6am-6pm. Their shift includes responding to Emergency Medical Service calls from 6am-6pm and manning the fire station as a driver/operator for fire calls from 6pm-6am. Career personnel are also responsible for day-to-day maintenance and general upkeep of the fire station as well as the fire apparatus and ambulances.

Thirty members, most of which are divided into four companies, make-up the fire department call company. These dedicated individuals respond with the career personnel to all emergency calls. Newport fire is also an active member of Kearsarge Mutual Aid, Cold River Area Fire Chiefs Association, Southwestern New Hampshire Fire District Mutual Aid and also Midwestern New Hampshire HazMat Team.

Newport Fire-EMS has two training committees that work to arrange and provide the best possible training for both Fire and EMS personnel. Fire training committee consists of me as Chief, Chris Marcotte, David McCrillis, Corey Conroy, Copeland Miller, Dustin Holmes, John Early and Steven Haselton. EMS training committee is made up of the following members: Copeland Miller, Dustin Holmes, Chris Smith, and Don Joe Attenhofer.

As the Chief of the department I continue to thank and extend my sincere appreciation to the members and their families of both divisions of the Fire-EMS for their loyalty and dedication to serve. I am pleased that the Newport Firefighters Association and the Newport Ambulance Attendant Association continue to serve the community and our citizens.

Fire and EMS divisions conducted many hours of training which included Fire and Rescue Training. Sara Godkin attended New Hampshire Fire Academy for Firefighter 1 and 2 certifications. Corey Conroy attend Fire Inspector 1 at New Hampshire Fire Academy.

Newport Fire-EMS received a grant from Emergency Management for Active Shooter equipment including 6 vests and ballistic helmets, multiple tourniquets and wound packing materials. We have multiple EMT's certified in Active Shooter Training.

In 2017, an advanced EMT class was hosted by Golden Cross Ambulance in Claremont, EMTs Sara Godkin, Vicki Hayward, Jennifer Wilcox, Corey Conroy, Corey Bartlett, and Zach Lobdell attended this program. As of end of 2017, Sara Godkin had obtained Advanced EMT Certification with additional members still in the testing process. National Registry of EMTs said goodbye to the EMT-Intermediate level for advanced EMT, AEMT Keith Gregory and Firefighter/AEMT Don Joe Attenhofer were able to successfully complete the transition test in 2017. Firefighter/AEMT Copeland Miller has completed his paramedic program through New England EMS Institute since the end of 2017, he was able to successfully complete the paramedic certification.

This year we saw the resignations of Captain/Paramedic Kenneth Carleton who will continue his career with the Sanbornton Fire-Rescue, Firefighter/EMT Corey Bartlett who will continue with New London Fire Department, and Firefighter/EMT Zach Lobdell who will continue his career with Concord Fire Department. Zach has continued within the Call Department as Per-Diem EMT. We hired long time Call Firefighter/EMT Eric Benson to Full-Time status and after oral board process hired Firefighter/EMT Peter Censabella.

A special note of thanks goes to those individuals and organizations that have helped us behind the scenes. Without the support that the Newport Service Organization and others have provided we would not have been able to assist the department with resources for our equipment and personnel. Newport Service Organization purchased a LifePak15 giving us an extra for Rescue 1 so we can provide the best patient care at any time.

We also want to thank you, our customers and taxpayers for allowing us to serve you day in and day out. Thanks to all the support from the Department Heads and all Town personnel for their cooperation as this is what makes Newport a great place to work and a great place to live.

Respectfully submitted,
Wayne R. Conroy
Chief of Department

Forestry:

Fire personnel issued burn permits as outlined by the Division of Forest and Lands of the State of New Hampshire. Chief Wayne Conroy is Warden for the Town of Newport. Deputy Forest Fire Wardens are as follows: Chris Marcotte, David McCrillis, Corey Conroy, Don Attenhofer, Dustin Holmes, Copeland Miller, Zach Lobdell, Eric Benson, Peter Censabella, John Early and Steve Haselton. Throughout the year we write a lot of fire permits for both seasonal and brush burning fires.

Emergency Management/ Health Department:

This past year was very busy for the Health Officer. We received a few calls for overfilled dumpster and trash in general; also mold and bed bugs. Chief Conroy remains active on the Sullivan County Public Health Team. The Town of Newport has two Emergency Shelters at the Newport High School and Newport Senior Center. There will be a Hazardous Waste collection in another town that Newport will be part of these; dates and the name of the sponsoring town will be announced later.

Community Service:

The fire station continues to be Deer Tagging Station for the Department of Fish and Game during hunting season. Last fall 2017 we tagged 200 deer.

Newport Fire Department members take part in the Newport Firefighters Association. Members volunteer their time to attend multiple town events. The Newport Firefighter Association puts together the Parades for Winter Carnival and Homecoming. During homecoming, we start the Bonfire and make sure it is out after the event. During Winter Carnival, we have many members assist with numerous events. We also do our Annual Chicken Barbeque during the Apple Pie Crafts Fair. We took part in a 9/11 event with Car Nutz and brought multiple Police, Fire, EMS and Rescue vehicles to the car show. The Association gives money raised during some of these events to groups and people of the town. I have been a member of this organization for 42 years. To members of this organization that have dedicated many hours of their time for events in and around the Town of Newport, you make me proud as the Chief of this department; the citizens of the Town of Newport should be proud as well.

HIGHWAY DEPARTMENT

2017 Annual Report

E-mail: highway@newportnh.net

Superintendent: William C. Scanlon, Jr.

Working Foreman: Timothy A. West

Truck Driver/Equipment Operators:

Craig Sartwell

Garrett Moote

Stanley Waterman IV

Michael Murphy, Jr.

Daryl Bellinger, Sr.

Per Diem Employee:

Jason Rook

Cathleen Merrill

John Coleman

We had a much harsher 2017 winter weather season than the previous 2016 winter season. Snow continued to fall into the month of March.

Michael Murphy, previous employee with the Town, was hired back on as Truck Driver/Equipment Operator on February 07, 2017. Mike has been a valuable asset to the Town in its day-to-day operations.

With spring in the air, April brought in continuous sunny days to make for a much lighter than normal mud season. Days were warm and nights were cooler, making the departments' cleanup minimal. With that said, rake outs and back dragging with the loader still occurred.

In May, the Highway Department did street cleanup, picking up trash/debris from the roadsides, including some State roads for a 6-week period. In between cleanup, we fixed washouts due to heavy rains.

Trevor Boardman, Newport resident, was hired on as the new Public Works Laborer on May 15, 2017. Trevor has been a good addition to the highway crew and is doing commendable work within the Town.

As summer peaked, we started routine grading of roads, ditching, pothole patching, washout repairs, painting of crosswalks and minimal roadside cleanup that remained.

On July 24, 2017 the Shim and Overlay paving project began and continued into the month of August. GMI Asphalt Paving from Belmont, NH was the high bidder and they did an excellent job paving the following roads: Bradford Road, Maple Street Extension, Hill Street, High Street, Short Street, Clark Street, Cross Street, Canal Street, and River Street.

Town roadside mowing began in mid-July and completed in August. As summer neared its end, the Highway Department continued with ditching and sweeping, and vacuuming out basins. Industrial Traffic Lines out of Londonderry, New Hampshire were hired to paint 16.5 miles of our center lines on streets.

Winter sand bids were sent out and the high bidder was United Construction of Newport, New Hampshire. Due to cost effectiveness, they were also contracted to haul the sand to the Public Works Department.

Winter salt was purchased at a significant savings by American Rock Salt which came in .38 cents less per ton than the State Bid pricing.

In early-August the grader's transmission failed, putting it out of service for a two-month period. This mechanical failure cost the Town's vehicle maintenance budget an additional \$24,000 in unanticipated monies. Nortrax out of Springfield, Vermont assisted us by allowing the Highway Department to "demo" a grader at no cost to the Town. This allowed us to finish our fall grading until our grader come back from repairs.

In preparation for winter the Highway Department installed its plow frames onto trucks and calibrated its sanders. Late October, we began our fall leaf pickup schedule, consisting of four (4) consecutive weeks. We also continued with pothole patching, brush chipping, street sweeping, basin cleanouts and the winterization of equipment.

In December, the Highway Department replaced damaged bricks alongside sidewalks in the downtown area. On December 09, 2017, the Town has its first snow storm and on December 15, 2017, we picked up snow in the towns downtown area for the first time during the winter season. The ice skating hut was placed onto the Town's common on December 15, 2017.

The Highway did its routine snow plowing, sanding and salting for the remainder of the month as snow and ice accumulated.

I'd like to thank the taxpayer's and all Town Departments who have supported us throughout the year. We are greatly appreciative for the purchase of a new 2017 International dump truck (*pictured below*) that was a much-needed asset into our fleet. To all my Highway crew, I'd like to especially thank them for all the hard work they have done for the Town all year long.

THANK YOU!

Bill Scanlon- Highway Superintendent

2017 LIBRARY ARTS CENTER ANNUAL REPORT

2017 marked the 50th anniversary of the Library Arts Center, a milestone celebrated year-long with a series of 50 extra events. Many of these events were 1960s themed as a nod to our founding decade, and all were in addition to the already robust annual programming!

The 50th anniversary was Celebrated 50 ways

Many of the anniversary celebrations were 1960s themed

It is a rare thing for a town of Newport's size to have a community arts center providing an array of arts and cultural events for residents and visitors alike. It is a tribute to the special nature of this small town that this organization has not only made it, but is thriving at 50 years of community service.

By The Numbers

This year alone, the Arts Center provided 8 gallery exhibits, 17 performances, 14 films and 106 art classes for the community. The Arts Center had 222 members, 221 volunteers and 5,000 visitors in 2017. 326 artists and craftspeople were served, 425 students were given a presenting venue and 64 scholarships were given to students for art classes in this past year.

Art Exhibits

Newport School System Student Art Exhibit

Kent Stetson offered a gallery tour to local students

The 50th exhibit season was ushered in by an outstanding display of the Art of Handbags by Kent Stetson. This wonderfully popular show was followed by an annual favorite, the artwork being made in the Newport school system, grades K-12. The annual Juried Regional and Selections exhibit followed respectively. Fall brought the biennial Soo Nipi Quilt Guild display of quilts made by its members filled the gallery walls in fall, followed by Gallery of Gifts featured handmade gifts made by 100+ local and regional artists and artisans sold in the gallery through the holiday season. These exhibits typically run six weeks each and are all free and open to the public. Many visitors come to see exhibits, both locals and others who travel here from the greater region. Stop in to see what is on display in your community's gallery.

Performances

Tim Kelly packed the house for a jazz concert

Celtic trio Cantrip returned to the stage

The gallery stage was used more than ever this year! The Bill Rosen Quartet's annual Jazz Night was a great performance, the success of which led to an additional jazz performance by Newport's own Jazz Pianist Tim Kelly. The Traditional Celtic Music Series, started in 2016, was developed into a full series of incredible performances. The Summer Performances for Children on the side lawn were a great success. The Sunshine Town Social, Apple Pie Crafts Fair, and other community events and fundraisers all featured live musical performances.

Film Series

These popular free film nights are complete with popcorn out of the old fashioned popper

As part of our 50th anniversary celebration, film, one of the original staples of Arts Center programming, was brought back. This aspect of programming had been phased out as technology changed in the "70s and "80s. The films shown in this 50th anniversary year were all from the 1960s as a nod to the founding decade of the center. Film screenings are all free and open to the public. Different series will be shown in the year to follow.

Art Classes

This master class in painting runs year-long

Kids created large collages in this summer camp

A full schedule of classes ran throughout the year and included: painting, drawing, photography, printmaking, felting, beading, basket weaving and even Lego robotics. In addition to these classes which run annually, there was a full series of art classes based on the 1960s as an anniversary celebration and nod to our founding decade. Several weekly drop-in art groups and classes ran throughout the year including painting for differently abled adults and their caregivers, drop-in figure drawing, fiber arts and weekly open studio, as well as weekly Music with Friends for babies and toddlers. Hardly a day goes by that there is not an art class, or multiple classes running at the Arts Center. As a community arts center we pride ourselves on offering enriching and engaging studio classes at very reasonable rates, and have scholarship funds available that have been donated by community members. It is also a goal of the Arts Center to have classes that engage a wide range of ages, artistic backgrounds and interests to best serve the community. Class listings are constantly updated and can be found at libraryartscenter.org

Community Events

The Hanger Party at Parlin Field was a huge success

Staff and patrons grooved out with the 1960s celebrations

From the Apple Pie Crafts Fair to the Peeps Diorama Contest to the Garden Tour to the Farm to Table Dinner, the Arts Center is heavily involved in creating a myriad of community events. In honor of the 50th anniversary there were several special events, including community celebrations at the Old Courthouse, at Eastman, and another at the Bairds home with a concert in their barn. There were several 1960s-themed anniversary events including a “groovy” Hanger party at Parlin Field, a James Bond-themed Sunshine Town Social, and a free, family evening of tie dye and live 1960s-themed music on the side lawn. What the Arts Center provides the community goes well beyond the four walls of the building and strives to reach and engage as much of the greater community as possible.

Thank You! We are inspired here at the Arts Center to continue developing fun, engaging and artistic opportunities for Newport and the greater region. As a resident of Newport, please know this is *your* Library Arts Center. It is a very rare thing for a town of Newport's size to have such a community resource for the arts. Our Library Arts Center, which opened its doors in 1967, has been able to inspire and enrich the community through the tremendous support it has received from members, sponsors, fundraisers, endowments and grants as well as \$7,500.00 given annually to the Library Arts Center in the town budget. Please take advantage of all the offerings this facility provides our community.

Respectfully Submitted, Kate Niboli Luppold, Library Arts Center Executive Director

STAFF: *Kate N. Luppold, FT Executive Director; Fran Huot, PT Marketing Coordinator; Cathryn Joyner, PT Office Assistant; Ann Stout & Elaine Franc & Virginia Irwin; PT Saturday Gallery Attendants*

BOARD OF DIRECTORS: *Paul Baird, Becky Bates, Lindsey Camp ,Debbie Campbell, Tom Kelley, Caitlin Mauser Rowe, Laura McCoy, Francetta Raymond, Nick Scalera, Mary Schissel, Chris Scott & Patti Warren*

Public Access Cable TV on Channels 8 & 10

This report is dedicated to Jeff Nintzel, who retired from NCTV last summer after 24 years.

Jeff became executive director when NCTV first went on the air in 1993. Video production and public access broadcasting were very different. There were no digital cameras, editing software, wireless connections, or internet. Jeff assembled videotape, wheeled out huge cameras for live productions and made sure we got coverage of all the important meetings and town events. Over the years, when VHS became digital tape, then DVDs, and now .mpg on SIMM cards, Jeff stayed ahead of the curve. On top of that, he trained students and citizens who wanted to tape meetings and create video projects. And he did it all with a cheery disposition, always willing to help whoever came through his door. As a result, I inherited a well oiled 21st century cable station.

Jeff tried to retire more than once but there was no one able to fill his shoes and so he stayed on until a competent replacement could be found. I hope to earn that title but it may be too soon to tell. I've consolidated some operations, chased bad connections, and put new as well as archived programming on the air. The schedule now airs particular program types at specific times and between town business, sports and local arts events, we show movies, cartoons, a daily story hour, religious and exercise shows, and lots of local music.

Last fall, I lost my studio manager to another station which set my progress on its heels. I'm teaching 3 high school interns to create programming and training a new studio assistant. We're all Newporters and are invested in building on Jeff's legacy to keep NCTV as a community information and cultural hub. In this era of instant information, it is a struggle for local cable TV to keep up. We are in good financial shape to look at possible internet streaming, wireless live school sports, a more integrated website and online video page, and creating quality local quiz, interview and talent shows.

So give channel 10 a fresh look on your cable box, drop by our studio and find out how TV really goes together, visit our webpage to watch our shows online, and join me in thanking Jeff Nintzel for devoting a quarter century to bringing local TV into our homes and keeping NCTV alive.

John Lunn, NCTV Executive Director

The Newport Historical Society

Visit *your* Newport Historical Museum at the...

Historic Nettleton House

20 Central Street

Artistic Rendering by Diana Piotrow

2017 was a very good year for The Newport Historical Society! It is estimated that over 600 people visited the museum and 1,667 donations of artifacts and ephemera were received. It takes a large inventory to be able to change museum displays on a yearly basis and not repeat displays for a period of five years. We are grateful for your generous donations that make this possible. Thank you for contributing to the preservation of Newport's history.

Did You Know?

Newport, N.H., is...

- The birthplace of Sarah Josepha Hale, America's "Mother of Thanksgiving."
- Connected to the famous Egyptologist and Rosetta Stone decipherer, Jean Francois Champollion.
- The home of thousands of 19th and 20th century Irish, Finnish, Polish, and Greek immigrants and their families, who contributed to thriving woolen and shoe industries.
- Partners with local business firms world-renowned for precision manufacturing and chemical coating capabilities.
- The home of 2 of only 8 existing railroad covered bridges in the U.S.
 - Alive with community spirit 250 years strong!

Join us on Columbus Day Weekend **2019 (Oct. 11th-13th)** to celebrate the **25th anniversary** of Newport's reconstructed **Corbin Covered Bridge!**

NHS Board of Directors: Cathryn Baird, Jackie Cote, Larry Cote, Arnie Hebert, Jerry Hagebusch, Priscilla Hagebusch, Jayna Hooper, Rita James, Laura McCrillis Kessler, Dean Stetson, Stan Sweeney, Arthur Walsh

PARLIN FIELD AIRPORT – 2017 ANNUAL REPORT

There are many challenges that face small community airports: an inactive local pilot population, lack of community support, deteriorating facilities, misaligned rates and charges, etc. I am happy to report that these challenges have not materialized at Parlin Field. In fact, even with the loss of the Lil' Red Baron restaurant and an aging pilot population, Parlin Field is thriving.

Our facilities are in good order and well maintained through a joint effort between the Town and our volunteers. Parlin is a favorite spot for folks to park and watch airplanes, take a walk or watch the sun set over our turf runway. Many have taken lunch on our new picnic tables that were purchased through donations from visiting pilots. We strive to remain good neighbors.

Aircraft activity at the airport is recorded and tracked to determine trends. Our aircraft operations have remained steady year-over-year with 2017 ending in approximately 2,500 take offs and landings conducted at Parlin.

Our aviation fuel sales in 2017 were the highest since 2012. We sold 24,800 gallons of aviation gasoline; up 1,000 gallons over the previous year. Aviation fuel sales are one of the ways the airport is able to generate revenue. We also generate revenue to offset our operating budget through ground leases for the four hangars as well as monthly aircraft storage fees for those airplanes in the community hangar. This year saw an escalation in the ground rent paid by our

hangar owners as part of the lease agreements. The airport generates additional revenue from snow plowing.

One of our goals for 2017 was to increase the use of the airport from those outside of Newport. We collaborated with local officials and businesses to find innovative ways of promoting Newport and the surrounding area to aviation minded individuals. The initial result was the production of a "rack card". On one side is information about the airport, local attractions, lodging, and restaurants. The other side of the rack card features several local businesses that have offered slight discounts to folks that fly into Parlin Field and get out into the surrounding community to patronize local businesses. We ask visiting pilots and their passengers to take several cards back to their local airports to

PARLIN FIELD

NEWPORT, NH

Newportnh.gov or facebook.com/ParlinField

Parlin Field is a small municipal airport located just one mile from downtown Newport and minutes from Lake Sunapee and all of its summer activities including boating, swimming, hiking and bicycle trails. Classic covered bridges provide a taste of historical New Hampshire. From world class craft fairs to our small town "Old Home Days", Parlin Field offers a convenient country getaway to New England at its best. Courtesy bicycles are available at the airport.

Attractions:

Fly fishing, Covered Bridges, Farmers Market, Library Arts Center, airport camping, hiking

Local lodging:

Newport Motel

Transportation:

courtesy bicycles, taxi service

Local restaurants:

Salt Hill Pub, Village Pizza, Plaza Pizza, Plaza Dragon, Country Kitchen, Ming China

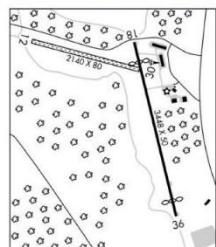

Must present this card for discounts at:

pass out to fellow pilots to encourage them and their passengers to come visit Parlin Field in Newport, NH.

Keeping in step with community spirit, we were able to offer 36 local kids the unique opportunity to attend a week-long Aviation Career Education (ACE) camp at Parlin Field. The all-volunteer run camp introduced kids to hands-on aviation related activities that challenged them in the areas of science, technology, engineering and math. The students went on aircraft flights in our personal aircraft, were introduced to aerodynamics and 3D

printing, learned about different careers in aviation through guest speakers and field trips and were able to take rides in NH Army National Guard helicopters. All this would not be possible without the volunteerism and community pride that prevails at Parlin Field and throughout the Town of Newport. Key partners in this venture were the Newport school system and Hypertherm.

The events and activities mentioned here are reflective of the outstanding volunteers and community spirit at Parlin Field. Moving forward, we envision a stronger partnership with the Newport community and local businesses as we strive to keep our local airport something to be proud of. We hope to see you out there!

-Heath Marsden, Rick KloeppeL,
Airport Managers

*Part-time

Newport Police Department

59 MAIN STREET
NEWPORT, NEW HAMPSHIRE 03773

JAMES C. BURROUGHS
Chief of Police

2017 was another busy year for the Department. The Communications Center, which provides 24/7 coverage between four full-time and two part-time employees, logged a total of 19,175 calls for service this year. 19,175 calls represents a 12.5% increase over last year's 17,048 calls for service. Those calls account for all reported and generated activity between the communities of Newport, Goshen, Grantham and Springfield with our Communications Center dispatching for Police, Fire and EMS and Highway Department. Looking at just the Newport calls for service we handled 14,185 calls for service in 2017. The vast majority of those calls are handled or initiated by our five full-time patrol officers. That breaks down to an average of 2,837 calls per patrol officer per year or 38.5 calls per day. Now, if that seems like a lot that's because it is!

Looking back in time to 2010, when we were funded and staffed six patrol officers, we handled just 9,328 calls for service. In 2010 that was an average of 1,554 calls per officer or 25.5 calls per day. Since the staffing and budget reduction in 2010, we have seen a 51% increase in the number of calls for service, increasing to just over fourteen thousand. When you translate the increase in calls for service during this time and account for the decrease of staff by one, that shows that the average officer is addressing 82% more in 2017 than they were in 2010.

Since my appointment in 2011, I have repeatedly brought up the ever increasing workload of the Department and our need to account for these changes. As I have stated in previous annual reports, we have had to find ways to be a more efficient department with little or no budgetary adjustments. We achieved greater efficiency through the addition of MDTs (mobile data terminals) which are computers in the patrol vehicles allowing officers to complete reports and document calls for service as they go. We began using that technology back in 2012 and it continues to serve us well and has shown a definitive improvement in our efficiency. In 2017, we applied for and received

a grant to add e-ticketing to our mobile computers and we expect to see those operational soon, making our patrol functions even more efficient.

As your Police Chief, I proudly promote the Town and the Police Department through our mission statement and the core values of the Department. Those are prominently displayed within the Department and on the Town's recently revitalized web site located at www.newportnh.gov. Please check out the Town's website for our mission statement and other vital information about the Town, the departments, and current events happening in and around the Town.

We continue to evolve as a Department in a never-ending process to keep up with society and the expectations that are placed upon us. Over the years, society has grown accustomed to having an exceptionally transparent government, especially with its police departments. In January of 2017 a change in NH State law allowed for transparency to continue with the addition of legal standards for body worn cameras in law enforcement. Since that change, Newport became one of the first agencies in the area to deploy body worn cameras in addition to cruiser dash cameras. Obtaining these cameras was only made possible through the very generous donations to the town by area businesses and community members. We continue to be grateful for the support we receive from our community and I would like to say "thank you!" again.

2017 marks the 20th year of the Newport Police Department at our current home at 59 Main Street. In 1997, Chief Hoyt led the efforts for the Town and Department, as we renovated the space once housing Priscilla's Sweet Shop turning that space into a functioning police department. I recall moving from our old cramped quarters at 32 Main Street and commenting that we would never need all this space, but 20 short years later, we sure have filled it, maximizing every square foot. In celebration of our 20 year anniversary, in July we opened our doors to the public, giving over 100 residents tours, providing a rare glimpse of what happens daily within the department. Thank you for all those that joined us at this milestone. I look forward to seeing what changes are in store over our next 20 years!

Each year I continue promoting the changes and improvements of the Police Department as it pertains to technology and equipment, but one area which I am equally committed to is the substantial investments we make in our employees. Our ability to attract, develop and retain employees is one of our greatest challenges and one that is effecting the law enforcement profession

nationally. Gone are the days where an employee comes to you right out of college or the military and stays with you for their entire career. With the substantial investment we make in the training of our officers and communications personnel, retention becomes very important. Work environment is among one of the greatest triggers for an employee to separate, followed by compensation. Not a single day goes by without my attention to factors that affect both the work environment and community environment in which we all live. I continually prepare the Department for the future through employee development and succession planning.

Another aspect of managing the police department that is often overlooked and seldom thought of is our communications system. The Police Department plays a substantial role in the Town's communication infrastructure as well as communication with multiple agencies in numerous communities. While we have modernized the Communications Center in recent years, we continue to develop towards redundancy and security within our current aging systems. The inevitable replacement of Police, Fire, EMS and Highway communications systems is within our immediate future. In the coming years substantial investments will need to be made towards the guaranteed ability to provide emergency communications with all Town and area departments. We will be working on the development of our future communications system in the coming year to ensure that our investments are utilized to their fullest extent.

I am pleased to report that the Department continues to exceed our revenue expectations and in 2017 generated just over \$190,000. The Department generates revenue through multiple sources. The first is through contracted services with neighboring communities for communication services, totaling nearly \$48,000. The second is through the fees collected from permits and ordinance tickets totaling nearly \$5,000. The remaining revenue, at nearly \$137,000, comes in the form of grants and paid detail proceeds. In comparison, in 2016 we reported just over \$154,000 in revenue from all sources, making this year's \$36,000 increase a welcome sight. We expect another big year of revenue in 2018, as we already have grant applications out and will be seeking additional funding to offset program and equipment costs.

One grant that we will continue to apply for is the federal COPS grant which would aid in funding an additional officer, which is so desperately needed, as I have outlined in this year's report. As we continue to apply for it yearly, I will remain optimistic that we will receive that grant, but recent applications have not been awarded to us. However, we do receive other state funding for other positions including funding for our Drug Task Force investigator and the ILO

program established in 2016. The ILO, or Intelligence Liaison Officer, is based out of our Department, but represents Newport and the entire Western region of NH to the NH Department of Homeland Security's Intelligence and Analysis Center. The safety, intelligence and training opportunities that this position brings to Newport and the western region is invaluable.

In 2017, we noted a distinct increase in the number of calls for services over 2016, however our arrests were only up by 2.5% and totaled 426. These arrests are largely the result of the efforts of the patrol division, consisting of five full-time officers, two supervisors and three part-time officers. Those arrests are processed through the part-time prosecutor's office. Of the arrests and complaints submitted, only one case resulted in a dismissal, which was due to an uncooperative civilian witness. Having only one case dismissed or result in no court finding is a remarkable effort and speaks to the quality of cases that are brought forward by the Department and the internal checks and balances of our judicial system. As of July 1, 2017, Sullivan County no longer operates a juvenile diversion program. This has led to several juvenile cases not being addressed or properly adjudicated or juvenile services rendered as they were when the program was in effect. The Newport Police Department is actively engaged in the process to bridge this gap in what was previously a County administered service.

As it pertains to staffing, in 2017 we welcomed back Officer Josh Boone, who decided that the private sector was not as rewarding as public service. We also welcomed back Thomas Anderson to serve as our Intelligence Liaison Officer (ILO). Tom started his full-time career here in Newport in the early 1990's and I am pleased to have him serving our community once again. Welcome back Josh Boone and Tom Anderson! We have also welcomed a new Detective Division Commander in Lt. Charles Rataj. Lt. Rataj previously served 15 years as a supervisor and Detective in Vermont and is a retired 24 year veteran of the US Army retiring at the rank of Captain. With his extensive command experience and vast certification and training background, he is a welcomed addition to our Department. As we welcome Lt. Rataj, Officer Boone and Detective Anderson, we say goodbye to Officer Clayton Couitt who joins the public sector, Lt. Ernest Rowe who has relocated to New London, and Detective James Mayers who has retired to his home state of Pennsylvania. The Town has been very fortunate to have such a speedy hiring process with such qualified applicants. Several area departments have seen sharp decreases in qualified police applicants and are frequently going understaffed for months

and even years! This is a credit to the quality environment and employment advantages that Newport has to offer.

As I conclude my report, I want to thank our staff for their many sacrifices that they routinely make to keep our community safe. It's the talented men and women of the Newport Police Department that made this year successful and safe for us all. I would be remiss if I did not thank and emphasize the importance of the families of our employees. Thank you for allowing them to serve as their service often comes with sacrifices and hardships and it is the family that often bear the brunt of our responsibilities. As we prepare for 2018, please join me in keeping our "Sunshine Town" a truly special place to work and call home.

Respectfully submitted,

James C. Burroughs
Chief of Police

PUBLIC WORKS DEPARTMENT

2017 Annual Report

E-mail: lwiggins@newportnh.gov

website: www.newportnh.gov

Director of Public Works/Town Engineer
Larry A. Wiggins, P.E.

Public Works Garage

Lori Schinck, Admin. Assistant
Jeremy Proper, Mechanic
Trevor Boardman, Public Works Laborer
Rocky Cusanelli, Per-Diem Mechanic

Highway Dept.

William Scanlon, Supt.

Water & Sewer Dept.

Joshua Worthen, Supt.

Sewage Treatment

Arnold Greenleaf, Supt.

The following is a brief summary of the Director's activities on the major Public Works Department projects for 2017:

WATER & SEWER DEPARTMENT PROJECTS

Water & Sewer Superintendent Search

The Water & Sewer Department was without a Superintendent after Interim Water & Sewer Superintendent David Brennan resigned in December 2016. As of Mr. Brennan's resignation, the Director assumed the Superintendents duties (in addition to Director duties) and also became the Primary Operator of the system as the New Hampshire Department of Environmental Services (NHDES) requires an Operator with Grade II Treatment and Distribution Certifications for the Town of Newport Water System. The Director continued to review applications and interview candidates until March 7, 2017 when Joshua Worthen was hired as Water & Sewer Superintendent.

First, Second, Third and Fourth Street Infrastructure Improvement Project

Project limits (includes only the segment of Knoll Street from First Street to Rte. 11/103).

Peter Pitsas, P.E. (Underwood Engineers) presented the project to the Board of Selectmen in August 2017. Underwood Engineers submitted 95% complete drawings to the Town for review and comment in December 2017. The Director and the Water & Sewer and Highway Department commented on the previous

submittals prior the 95% completion submittal. Mr. Pitsas also staked out project impacts for resident's review in December 2017. Mr. Pitsas met with several of the residents in the area to begin discussions to obtain permission for the temporary and permanent easements for project construction. As currently designed, the project will require 23 temporary easements and 13 permanent easements from residents in the area. The project schedule will be determined by the easement process and execution of legal easements. All easements will have to be secured before issuing the project for bid.

The First, Second, Third, Fourth Street Infrastructure Improvement Project is the sixth infrastructure project in the Director's tenure. Geographically these infrastructure projects have addressed approximately one third of the in-town area. If one travels through these projects today, the neighborhoods still reflect the efforts of the Public Works Department. Infrastructure projects consume tremendous amounts of time from the department staff addressing engineering and construction issues as well as resident's concerns. With loan/grant funding becoming increasingly difficult to obtain, it appears infrastructure projects will become less frequent but the end results are visibly worthwhile.

Well Development Program

The well development project is in the third phase of a six-phase program. The current phase is to perform test wells in the three areas of Town which were selected by Emery & Garrett (Hydrogeologists).

The Town was unable to gain access permission for test drilling on several properties in town. The Town decided to proceed with two (2) properties to complete Phase III of the Well Development Program. Due to the access permission issues, the project has been significantly delayed.

Wastewater Treatment Plant Phosphorus Removal Facilities Plan Upgrade Project

The Town is under Administrative Order by Consent (AOC) to prepare a Facilities Plan to upgrade the WWTP to meet phosphorus removal limits.

The Town and the NH Department of Environmental Services (NHDES) reviewed and commented on Fuss & O'Neill's Interim Evaluation of Alternatives Report in early 2017. The Town, NHDES and Fuss & O'Neill (FON) held a meeting in April 2017 to discuss Town and NHDES comments on the report.

The Town's consultant FON (Fuss & O'Neill) directed the completion of pilot testing of two (2) technologies for four (4) seasons (starting in the fall of 2016). The final report was submitted to NHDES and EPA (United States Environmental Protection Agency) in December 2017.

The Director prepared the EPA required Quarterly Reports for the project.

Gilman Pond

As a result of the drought where the pond level was precariously low over the intake structure, the Director initiated a program to review possible alternatives to reconfigure the existing intake. The Town Manager secured UNH to perform a bathymetric survey of the pond bottom to allow selection of a new intake under a UNH capstone project basis. The UNH students performed a bathometric survey of the pond in October 2017. The Town is currently awaiting a report from the UNH students summarizing their findings.

The Water Department is also pursuing the placement of splash boards on the existing dam to increase water levels. The New Hampshire Department of Environmental Services (NHDES) has required a hydraulic analysis of the dam spillway before granting permission to install the splash boards.

HIGHWAY DEPARTMENT PROJECTS

Oak Street Bridge Project

The Town's consultant, Kleinfelder Inc., submitted a revised Engineering Study to the NH Department of Transportation (NHDOT) where it was reviewed and approved with a few comments. Kleinfelder's proposed scope and fee for Preliminary Engineering (through bid advertisement) were reviewed and approved by the NHDOT on March 20, 2017. The Town executed the contract with Kleinfelder accordingly.

Kleinfelder Inc., submitted Preliminary Plans to the NHDOT and the Town for review and comment in early spring. Kleinfelder Inc., Town Manager Hunter Rieseberg and the Director attended the Newport Heritage Commission meeting to discuss the project historical aspects.

The New Hampshire Department of Transportation (NHDOT) and the Federal Highway Administration (FHWA) granted approval of the Memorandum of Agreement (MOA) and the Categorical Exclusion for the bridge in late fall. The MOA specifies the Town's commitments to the bridge's historical aspects. With this approval the NHDOT authorized Kleinfelder Inc. to commence with the final design.

The Director worked with the Town's Assessor George Hildum to prepare appraisals of the easements required for the construction of the project. The Director and Town Manager Hunter Rieseberg met with NHDOT regarding the

right-of-way/easement process to discuss the various steps required to expedite the easements.

The Director processed the Wetlands Permit application and obtained the proper signatures for the bridge project.

The Oak Street Bridge is scheduled for bid in February 2018.

Coon Brook Bridge Project

The New Hampshire Department of Transportation (NHDOT) reviewed and approved Kleinfelder Inc's proposed Preliminary Design (through bid phase services) contract on February 14, 2017. The Town executed the contract with Kleinfelder accordingly. During the soil borings in late March 2017, it was discovered the bridge abutments had less concrete than expected. The bridge was constructed by Town forces in 1988 and no record drawings were on file at the Public Works Garage. Kleinfelder proposed a revised abutment plan and a revised estimate of costs for the bridge. The NHDOT approved Kleinfelder's proposed revised abutment plans in May 2017.

The NHDOT approved the preliminary plans and estimate for the Coon Brook Road Bridge Project in August 2017. With the NHDOT approval, Kleinfelder Inc. was authorized to commence with the final design.

The Coon Brook Road Bridge is scheduled for bid issue in early 2018.

Bridge Program

The Town has 16 bridges to maintain. As defined by the New Hampshire Department of Transportation (NHDOT) a bridge has a clear span of 10' or greater. In my tenure as Public Works Director, the Town has reconstructed 12 of those 16 bridges, (including the two bridges scheduled for construction in 2018). In addition to designing one bridge, the Director has administered the engineering and construction contracts, performed construction inspection and maintained the Town's eligibility in the NHDOT Bridge Aid Program for those 12 bridges. The NHDOT Bridge Aid Program reimburses the Town 80% of all eligible expenses. With completion of the current bridges in the program, the Town will be in a good position for future years since the 12 bridges constructed have design lives of 50 years or longer.

Sidewalk Project

In early May 2017 the DPW was directed to reconstruct the sidewalks on Beech Street and School Street before school started. The project plans were prepared by CLD Engineers. The sidewalks were completed in late August 2017 by United Construction.

The Director prepared a proposed contract with CLD Engineering to provide design and construction services on the next phase of the sidewalk program. The proposed area to be addressed is Cheney Street from Sunapee Street to approximately Highland Avenue.

2017 Paving Project

The Director prepared specifications and bid documents for the Town's Shim & Overlay Program.

GMI was low bidder and was contracted to shim and overlay several streets in Town. The contract work was completed in August. The Highway Department placed shoulder gravel on the newly paved streets and contracted striping of those streets as well as other streets/roads in Town.

LANDFILLS

Ash Landfill

The Director and Wastewater Treatment Plant Superintendent, Arnold Greenleaf, performed the annual required field inspection of the Ash Landfill. The Director prepared the inspection report and submitted the annual Post Closure report to the New Hampshire Department of Environmental Services (NHDES). The Director and Finance Director Paul Brown prepared the required Financial Assurance document submittal which is required by NHDES for the year.

Based on the Groundwater Management Permit from the NHDES, the designated monitored wells were tested in April 2017. The annual summary of those test results is submitted each calendar year.

Breakneck Road Landfill

Based on the Groundwater Management Permit from the NHDES, the designated monitored wells and surface waters were tested in April and November. The annual summary of those test results is submitted each calendar year.

OTHER PUBLIC WORKS DEPARTMENT OPERATIONS

Public Works Department Activities:

- The Director and staff have continued their annual efforts to apply, obtain and maintain NHDES/NHDOT loan/grant funding. Many hours are spent securing NHDES Drinking Water State Revolving loans (DWSRF), NHDES Clean Water State Revolving loans (CWSRF) and NHDOT Bridge Aid.

The Public Works Department has also applied for CWSRF Asset Management Program loan/funding for the water, sewer and drainage infrastructure. The Asset Management Program should allow the Town to score higher on future NHDES loan/grant priority lists.

- The Director assisted the Planning Board with site plan and subdivision review of the following projects:
 - a) The Lofts of Newport Mills
 - b) Rusty Lambra Site Plan
 - c) Newport Chevrolet
- The Director assisted with the Library Parking Lot Project
- The Director prepared bid documents for contracting snow pickup on in-town streets. The Town received no bids as a result of the bid solicitation.

Personnel Changes:

- 1) Joshua Worthen was hired as Water & Sewer Superintendent in March 2017.
- 2) Edward Welch was hired as Truck Driver/Equipment Operator in January 2017.
- 3) Trevor Boardman was hired as the Public Works Laborer in May 2017.
- 4) Michael Murphy was hired as Truck Driver/Equipment Operator in January 2017.
- 5) Truck Driver/Equipment Operator Robert Gonyea resigned in late March 2017.
- 6) Truck Driver/Equipment Operator Edward Welch resigned his position in late December 2017.

Staff Shortage:

During almost the entire winter season the Highway Department was without a Truck Driver/Equipment Operator and a Public Works Laborer due to position vacancies and staff illness.

Another year has flown by at the Newport Recreation Department. Exciting projects and programs happened in 2017, and each year we strive to provide a wide range of activities for all people and ages to enjoy. The department has stabilized with its staffing as Becky Merrow, our program supervisor, has enabled us to provide even more programming for the community, and brings the knowledge of school based activities to our programming from her many years as a physical education teacher for the Newport School District.

Our stable of programs didn't change much in 2017, but one major landscape change did happen that was important. The tennis courts that were built back in the 1970's under a LWCF grant were ripped up and taken away. These courts provided many fantastic years of tennis, a high school tennis team in the late 70's and early 80's, and many hours of recreation enjoyment for the community. The maintenance cost over the years added up, as well as the decline in participation forced us to make a decision regarding the courts. To replace the courts the cost would have been around \$200,000 dollars. It was decided that we would instead replace the area with a practice field for outdoor sports. While there has not been a specific use allocated for the space, the area was near 100 yards long and about 40 yards wide, which enables it to be used for a wide variety of sports and practices and Physical Education. The spring/summer of 2018 will be the first time the area will be used, and time will tell what the space will ultimately be used for.

We had a passing of a Newport Recreation Icon in 2017 as well. Lilyan Wright, our longtime volunteer aerobics instructor passed away. She had taught aerobics for nearly 25 years at the Rec Department, and was active role model for many in the community, always preaching fitness, exercise, and to keep the body moving into your senior years! She did just that, she kept moving by still refereeing field hockey games into her 90's. She inspired many, and will be missed, but her legacy has taught many and those folks will keep her tradition going strong. Years ago, we named our volunteer of the year award after Lilyan. The 2017 recipient of the award was youth coach Kevin Pollari, who has been actively coaching Newport youth sports for many years and is great role model for not only the kids, but other coaches as well.

The Community Center Committee reorganized itself in 2017 after taking a few years off. The Selectmen and Town Manager have expressed their desire to get a plan for the voters to vote on. Money was allocated for a study of 3 locations for a new Community Center. Catlin and Petrovick, a firm out of Keene NH, was selected for the study. The 3 locations for a possible new center are:

1. A renovation/expansion of the existing Rec Center on Belknap Avenue.
2. The possibility of taking over Towle School and Wheeler gymnasium and renovating that location for a Community Center.
3. The building of New Community Center in the community.

By the time of this writing we haven't yet received a final report on the costs and which site might be most feasible for the community. Either way we have moved forward with the process and hope the future is bright for recreation in Newport.

Another step in the right direction happened as well for Newport Recreation this year with the introduction of on-line registration. The community is now able to register for programs from home and using a credit card. It may look like a small feat, but certainly this technology is very handy when tracking participation, money, programs and the like. It also allows us to communicate more effectively with each individual program's participants, as well as the community as a whole.

A big thank you goes out to all town departments who have helped us in our endeavors. Mother Nature also deserves a thank you for bringing our water table back up so we could return the Ice Hut back to the common and skate there for another year. Thank you to my staff, the incredible supportive community, and a host of fantastic volunteers, who all make this a great place to call home.

Respectfully Submitted,

PJ Lovely, Recreation Director

2017 Annual Report

“The only thing that you absolutely have to know is the location of the library.” — Albert Einstein

In 2016 the trustees approved a strategic plan based upon community input. Two goals were completed in 2017. The library added eighteen new parking spaces to the library’s parking lot. This was accomplished with a USDA matching grant. In August Janice Brehio was hired as the new outreach coordinator. She brings library services to four residential facilities, the Senior Center and people in their homes.

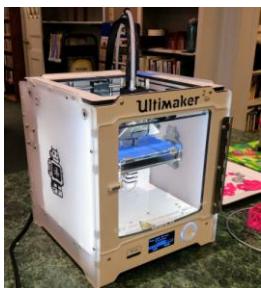

The library offered regular monthly programs for adults in knitting, poetry reading, and three book groups. Throughout the year, the library hosts author readings and lectures. Diane Les Becquet, author of the *Breaking Wild*, gave the third annual Centurion lecture in April. In May several native Newport writers returned to town and shared their experiences and expertise in a two-day writer’s forum. The writers were Christine Almstrom, Derek Catsam, Susan Cunningham, Matt Guenette and Robert Stanhope.

On August 19th the 59th annual Sarah Josepha Hale Award was presented to Julia Alvarez, poet and author of *How the Garcia Girls Lost Their Accents* and *In the Time of the Butterflies*.

The Sarah Hale Park continues to bring visitors to Newport. In 2017 a professor from Rissho University, Tokyo, Japan spent time at the park and in our Sarah Hale archives.

Library card holders have even more ways to use the library resources from wherever they are whenever they want. They can learn a language, take a class, take a practice driving test, discover the area’s history by reading old issues of early Newport newspapers, research their family history, and download audiobooks and e-books. At the end of 2017 the library added access to the digital *New York Times*.

The Children's Department has been busy this last year. Miss Mo continued favorite programs, such as the after school Makerplay events including a couple of new crowd pleasers, Scribble bots and Bristle bots. Toddler and Preschool story times continued to bring in new families, and our active and enthusiastic Youth Writers Group reunited into one group for ages 7-18. We took 2nd place in the small float category in the 2017 "1980's" themed Winter Carnival parade, with our Pac Man costumes. Major highlights included being awarded a Kids, Books and the Arts grant as well as a Dollar General Grant to fund our summer reading program. The Summer Reading theme was "Build a Better World," and the 2017 program was better and bigger. During the course of the six week program, the library held thirty programs that were attended by 761 people, including two special presenters: storyteller Simon Brooks, and Jungle Jim's balloon magic show. In the fall, Miss Mo expanded her outreach in the community to increase services for homeschoolers and work more closely with Newport 4-H. During the fall she created a new monthly STEM program for local homeschoolers. After school, she hit upon the strategy of incorporating food into craft programs to engage more students. In so many ways, 2017 was a successful year for the children's department.

The library began using even more technology in 2017. Thanks to funding from Newport Rotary and the Friends of the Library, 3-D printing is now available at the library. The library began taking credit cards in July. Archivists Mary Lou McGuire and Sandy Sonnichsen, with the help of New London archivist Jim Perkins, digitized the lantern slides of early 20th century Newport and created a book of the images.

Library by the numbers:

45,479 items checked out	15,420 library visits
6,263 database sessions	19,419 wireless sessions
282 meeting room uses	311 programs
2,591 library computers used	attended by 4,591 people

Each year the library presents the Pamela Gay Award for Volunteerism at the Annual Volunteer Tea. The 2017 recipient was Sandra Sonnichsen. Sandy volunteers in our archives and has become our Sarah Hale expert writing posts for the library website and giving radio interviews on Sarah Hale. John Lunn created the exquisite silver volunteer pin.

The staff and trustees would like to thank all the people who volunteer week after week, at First Mondays, at the Festival in August and whenever we have a project. The library extends special thanks to the Newport community that supports and attends the Friends largest fundraiser of the year, the annual Library Festival held on the fourth Saturday in August.

Information about the library and its programs may be found on the library's website www.newport.lib.nh.us or by subscribing to the monthly newsletter.

REPORT FROM SOUTHWESTERN COMMUNITY SERVICES, INC.

Southwestern Community Services, Inc. (SCS) would like to take this opportunity to thank the residents of the Town of Newport for their continued support. Our combined efforts to serve the needs of local communities, such as Newport, count on the support provided by local citizens and the town in which they live.

During the past year, SCS delivered a myriad of social and human services 5409 times to Newport residents. The total value of these services exceeded \$1,252,789. In addition, SCS paid property taxes totaling \$20,408 in 2017. Detailed information regarding this assistance has been sent to the town and is available to anyone interested by logging onto SCS' website www.scshelps.org, then click on the "SCS News" tab and the "Economic Impact Report" line. Detailed, town-by-town reports are available there.

Major programs that assisted Newport residents during the past year included Head Start, Sullivan County Transportation, the Women, Infants and Children Nutrition Program (WIC), Fuel Assistance, Weatherization, Senior Affordable Housing, among many others. Additional program information can be obtained by contacting SCS at 542-9528, stopping by our offices located at 96-102 Main Street in Claremont or by visiting our web site www.scshelps.org.

Local support is a vital component of SCS entire set of programs and services. The local support provided by the Town of Newport enabled us to continue effective outreach efforts throughout our rural area. SCS welcomes comments and inquiries about our many programs designed to assist the less fortunate of our area. Thank you once again for your generous support.

Sincerely,
Keith F. Thibault, chief development officer
Southwestern Community Services, Inc.

Southwestern Community Services

NEWPORT TOWN ASSISTANCE TOWN REPORT—2017

There is an increase again this year for assistance due to the number of people I meet with that are unemployed or receive low social security amounts. To coincide with this is the fact that rents have increased and the homeless shelter stays fully populated the majority of the time. Cuts in Federal and State spending are still in place; but the funding for the winter fuel assistance income guidelines were increased this year. The amount shown below still reflects an increase over last year's aid for fuel.

Over the past year, there has been a significant increase for help paying for electric usage. The high electric bills are due to people sometimes using electric heaters because they can't afford fuel which in turn generates a high electric bill. The Electric Assistance Program (EAP) is a percentage amount that is deducted off a monthly bill. It used to cover a full month's charges; now it only covers the first 700 kilowatt hours of usage during the month. Lower fuel costs along with more money for fuel assistance grants means we have seen fewer applicants for heating assistance.

The prevention of homelessness is reflected in the amount of money spent for rent. Rent assistance requires a Notice to Quit and/or a Demand for Rent to document the emergency. Applying for any type of assistance requires an application and documentation pertaining to income and expenses. A budget sheet is used to gage the dollar amount of assistance given to an applicant. Besides the amount of rent owed, consideration is given to cost of rent vs. shelter; is the shelter full or do they have any vacancies. Another aspect to look at is the possibility of the applicant to be able to pay rent in the short term ahead if assisted now.

For the year 2017, monetary assistance was given as follows:

- | | |
|-----------------------------|--------------------------|
| 1. Rent-----\$132,208.17 | 5. Food-----\$0.00 |
| 2. Electrical---\$17,724.06 | 6. Shelter----\$1,401.74 |
| 3. Fuel-----\$2,047.74 | 7. Other-----\$3,108.00 |
| 4. Medical----\$0.00 | |

The figures stated above, reflect an increase from the previous year, in the amount of \$57,562.91. That is a 59.1% increase compared to the previous year. No reimbursement was received this year for the assistance that was given.

These amounts are a reflection of 153 applicants; 43 of that number were new applicants. There were 2 withdrawn and 7 were denied last year.

The objective that is strived for is to help applicants to be self sufficient with maintaining their lives, while also keeping costs to a minimum. The process is done by continuing to advise applicants of the other resources that are available to them. By advising applicants of other agencies; the goal is to try to enable them to keep more cash available to pay the rent and/or utilities.

Other resources that are available are:

1. The New Hampshire Department of Health & Human Services (Medicaid, TANF, Food Stamps, and Aide to the Permanently and Totally Disabled (APTD)).
2. Southwestern Community Services (fuel, electrical and rental assistance).
3. The Newport Food Pantry
4. Serve New England (low cost food packages in exchange for community service)
5. Social Security Offices (SSI and SSDI)
6. Partners in Health
7. Medication Program
8. Medication Bridges Program
9. Consumer Credit Counseling Services of NH and VT
10. Local churches

Recipients of Town aide have a duty to accept and to pursue referrals to other agencies. They are also encouraged to negotiate directly with utility companies and landlords to make payment arrangements on outstanding balances. Conditions in writing are also issued most times, and have to be met to apply for further assistance.

I am still a member of the N. H. Local Welfare Administrators Association.

This office continues to refer applicants to the Newport Willey Christmas Program that assists needy families at this time of year.

The welfare office is located in the municipal building, top floor, at 15 Sunapee Street. Appointments are available Monday, Tuesday, Wednesday, and Friday of each week and the phone number is 863-4765 Ext 120.

Respectfully submitted
Sandra L Hale
Town Welfare Official

2017 Annual Report

Office of Planning & Zoning

	<p>www.newportnh.gov 603-863-6278 (Office) 603-344-6278 (Cell) topaz@newportnh.gov 15 Sunapee Street</p>	
Julie M. Magnuson Planning & Zoning Administrator	Chief Wayne Conroy Fire Chief & Health Officer	Alan L. Chase Building Inspector
Liz Emerson Administrative Assistant		

I am pleased to provide this annual report to the taxpayers and citizens of Newport. The Department of Planning & Zoning issued 280 building permits this year. Newport issues specific permits for a variety of projects. I list them individually later in this report. We have been fortunate enough this year to have had several sizable commercial projects develop. Department Head review meetings, plan review, inspections and issuing permits are just a part of what occurs in the Town Office of Planning & Zoning.

I have stated in past reports that I believe that Newport is a warm, welcoming and most certainly *business-friendly* town. I believe that my department and all of the boards I work with go far beyond the norm to assist citizens with the process of helping their ideas become a reality. We do the very best that we can to help translate the multitude of rules and procedures into a streamlined process that is both expeditious and well-defined in an effort to assist folks with personal and commercial projects. It is not always easy, and not all projects and developments come to fruition. However, the efforts of many should be recognized.

I. BUILDING INSPECTIONS

- A. We issued 280 permits in 2017.
- B. Here's a breakdown of the last six years:

Year	Estimated Construction Costs	Permits Issued
2012	\$6,232,668	298
2013	\$5,514,695	253
2014	\$4,267,260	235
2015	\$10,894,825	296
2016	\$6,502,509	329
2017	\$3,138,653	280

The Office of Planning & Zoning received fees of **\$18,271.18** for permits issued during 2017. The Planning and Zoning Department issued 280 permits this year. Of the permits issued, 110 were general Building Permits; 67 were Electrical; 16 were for Demolition; 1 Zoning Permit; 12 were Plumbing Permits; 15 were Certificates of Occupancy; 2 were Temporary Certificates of Occupancy; 15 were Mechanical Permits; 28 were Sign Permits; 1 Certificate of Approval from the Heritage Commission; 4 were Foundation Permits; 1 was an After The Fact permit and 8 were Yard Sale Permits.

- C. Website: If you have any questions regarding building permits, inspections, forms, contact information or any other specific information regarding planning and zoning, please visit our website: www.newportnh.gov. In an effort to be more accessible, we have continued to work hard again this year by adding and amending the information we post there for your guidance. Remember that most of our regulations, forms and permit applications as well as the property maps showing the zoning designations can be accessed there. Approved meeting minutes and our meeting schedules are also posted there. This will provide citizens the ability to access this information from their internet-connected devices. Always be sure to check and verify that you are on the official site; otherwise you may not see the most current data.

Something new to note is the very powerful mapping program that we are using! The link is: <https://www.axisgis.com/NewportNH/> you don't need to log in and can use a wide variety of tools and layers to gather data. The information button will give you the map and lot address as well as the owner. The zoning layer is also helpful to identify the zoning districts in town. This data is gathered from the best information we have available. I should point out that our maps are used for inventory

purposes and are not survey maps produced by a licensed land surveyor. Always double check your findings with the appropriate department.

II. PLANNING BOARD

- A. The Planning Board acted on 15 applications in 2017. This compares to 11 applications in 2016. They approved 5 annexations of land; 1 two-lot subdivision, 1 three-lot subdivision of land; and 7 Site Plans and one Preliminary Site Plan. Some of the site plans consisted of major projects for applications from The Lofts at Newport Mills (potentially adding \$12,000,000.00 in improvements), Newport Mills Self Storage, a new riding arena at Full Circle Farm; three additional storage buildings at Pirate's Landing; and the expansion and layout of Newport Chevrolet. 2017 was indeed another robust year for commercial projects in Newport.

The Planning Board will be drafting a zoning amendment regarding the keeping of hens. The Office of Planning & Zoning received many calls and some complaints pertaining to the keeping of hens. The primary use appears to be the production of eggs for home use. In the absence of an amendment, residents would only be allowed to keep hens in the zoning districts that allow farming.

- B. The fees collected for Planning Board applications were \$3,373.40. This figure compares to \$2,017.30 in 2016.
- C. We should all be grateful to have had the following people serve on the Planning Board in 2017: David Burnham, Chairman; Ken Merrow, Vice-Chair; Barry Connell, Ex Officio; Bill Walsh, Ray Kibbey, Bert Spaulding, Sr.; David Kibbey and Erna McCormick are alternates, and John Hooper is the Ex Officio alternate.

In addition to their very hectic personal lives, these folks volunteer their time and evening hours to make our community a better place to live. There are currently no open positions on the Planning Board.

III. ZONING BOARD OF ADJUSTMENT (ZBA)

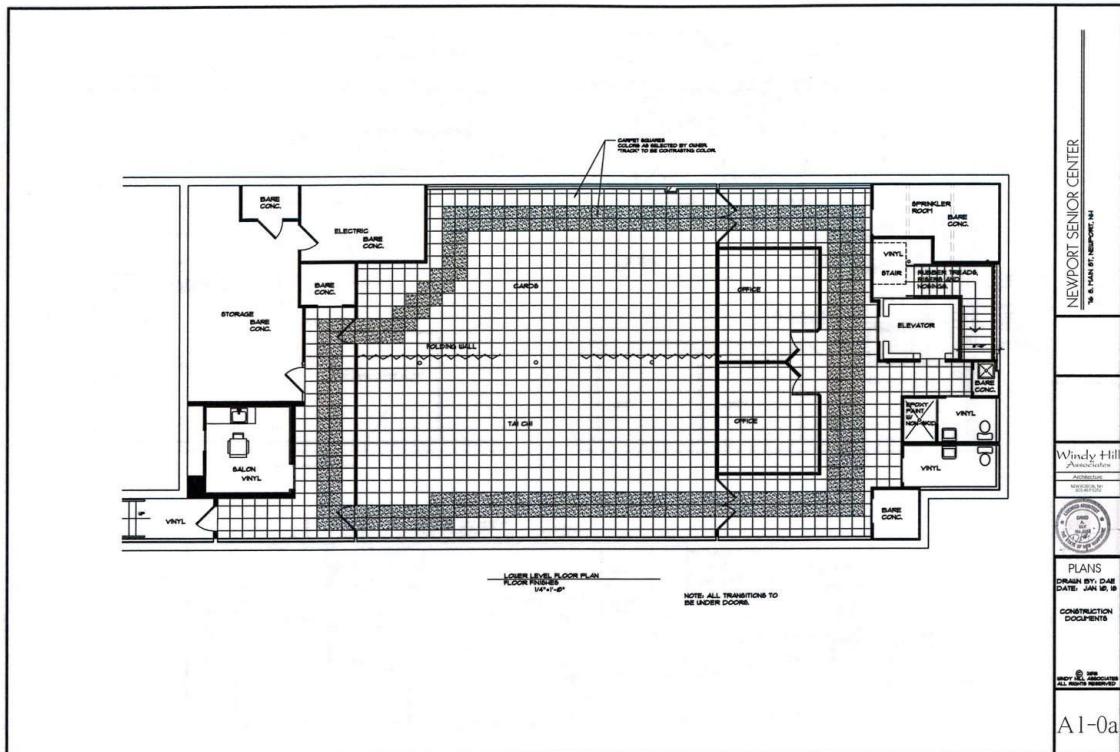

- A. The ZBA ruled on 16 appeals this year. This compares to 11 in 2016. There were 4 Special Exceptions that were approved. They included an Accessory Dwelling Unit; an appeal to live in a camper while building; an additional automotive, heavy equipment and auto body business and Self-storage units on Cross Street. There were 3 Special Exceptions for Mixed Use that were all approved. There were 9 Variance appeals filed this year; 8 were granted. They included car sales on Page Hill Road in a former lumber yard; Newport Mills multi-family apartment use; storage

facilities for a new business on Cross Street; 2 dwellings less than the required 600 square feet; an off premise sign and a second hand/antique shop with outside display on Sunapee Street.

- B. The fees collected for ZBA applications was \$2,719.67. This compares to \$1,193.65 in 2016.
- C. I would like to thank the following members of the ZBA for contributing to the sometimes daunting procedures involved in hearing the appeals before them this year: Melissa Saccento, Chairman; David Lain, Vice Chairman; Ben Nelson; Jeffrey Kessler, Ex Officio;; Elizabeth Cassorla; and Todd Fratzel, Ex-Officio Alternate. Scott McCoy and Tim Beard are alternate members. As always, we appreciate and applaud the efforts of the volunteers who serve on these boards, which are so vital to ensuring that our government process functions efficiently and responsively here in our hometown.

IV. OTHER ACTIVITIES

- A. I would like to thank Fire Chief Conroy who continues to act as the Town's Health Officer, sits on the Housing Board of Appeals and assists with building inspections. He makes himself available whenever he can, and often at a moment's notice.
- B. Alan Chase is our Building Inspector. I know I speak for everyone when I say that Alan is a delight to work with. I hear compliments from contractors, homeowners, builders and fellow staff members every day. Alan is knowledgeable, professional and colossally helpful. Alan continues on his certification coursework and professional development through the International Code Council. He is also a member of the NH Building Officials Association. Alan typically works on Monday, and Thursday mornings. It's always best to call ahead and make an appointment if you'd like to visit with him regarding a project.
- C. Grants: In 2016 a \$12,000.00 feasibility study was done at the Newport Senior Center. The purpose of the study was to determine how to increase the size of the facility. The study was completed and the gist of the result is to modify the basement level of the existing building to accommodate a variety of activities that are either not possible, or inconvenient presently. This year, CDFA approved of \$500,000.00 in grant funds to implement the results of last year's study. The plan will include handicapped accessibility; energy improvements and the addition of space that can easily accommodate the plethora of activities that our seniors enjoy at the Newport Senior Center.

D. Zoning Enforcement: I issued 7 formal Notices of Violation in 2017. I also wrote many letters pointing out deficiencies in buildings or matters that might be in violation of several local regulations. The Town has also been diligent in contacting owners that have had fire damaged buildings. The Department of Planning and Zoning is cognisant of the fact that these buildings, left partially standing are a cause of safety concerns as well as blight for the entire neighborhood. The Town has taken the responsibility to take down and restore 3 properties in Newport in 2017. There are at least 2 more demolition projects slated for 2018.

It is important to state here that the formal written notice is usually the next to last resort in trying to have property owners bring their property into compliance with the regulations in the Town of Newport. When it gets to that step, it means that I have exhausted all other attempts to work with the owners of the property, or they flatly refuse to do anything to remedy the situation. It is always my hope to work with citizens and have them bring their property into compliance. Occasionally, we do end up in court. When that happens, the result can contain costly penalties, fees and possible reimbursement of the Town's

legal expenses for the property owner.

Voluntary cooperation and a “plan” to remedy the situation is always my preference. I spend many hours of my work day investigating zoning complaints. In order to act, I inspect the property visually, often taking photographs to document my inspection and then attempt to contact or communicate with the property owner. In the 17+ years that I have been doing this, I can say that *most of the time* people make immediate attempts to come into compliance. I’ve never logged how many hours a day I spend on the arduous task of zoning enforcement, but I do know it’s a substantial part of my day, every day.

In conclusion, I’d like to say that I hope the “face” of TOPAZ is both friendly and helpful. We all strive to ease the process of permitting and approvals for projects and make the process less daunting to our property owners and businesses. The longer I work here the deeper understanding I have of what a welcoming and enthusiastic community Newport is.

I thank the businesses that have located or relocated to Newport and have made a positive economic and visual impact on our community. The efforts of my department clearly support the fact that Newport is indeed, a great place to call home.

Respectfully Submitted,

**Julie M. Magnuson,
Planning & Zoning Administrator**

WASTEWATER TREATMENT FACILITY

2017 Annual Report

Plant Superintendent
Arnold L. Greenleaf

Plant Operator
Richard Boone

Normally we will have one or two large projects that we will undertake over the course of the year to improve the plant infrastructure. This year was different as we tried our best to finish off the tree removal work on the lagoon rip-rap that has been ongoing for 2 years now. Unfortunately, there is appreciably more trees and brush to remove than we had time to remove this year. Another section of lagoon 2 was cleaned out and we will have to work further on it again next year.

In lieu of any other large projects, we undertook numerous smaller items that needed addressing. Some of the lab equipment needed replacing so we purchased a new meter, probe and the software needed to speed up the BOD testing. As we cleaned out the building over the colder months new shelving and cabinets were added or replaced to improve our storage capacity. I had a lot of the old blueprints from the 1970's construction work and up through the present that were not holding up well. All of those paper documents were scanned to make new copies and digitized so we now have them in digital storage. One remaining small bag of sludge that had been onsite for 2 years was cleaned out and disposed of. The permit for flow discharge from the Dorr lagoons was renewed for another 5 year period. One final cleanup project was getting the last of the silt barrier, bales of hay and miscellaneous piles of dirt and stone from the 2012 construction work picked up, disposed of or spread out in the yard. This made our mowing much more pleasant.

We were also kept quite busy this year dealing with the large volume of septage that we received. We took in over 295,025 gallons during the course of the year. We once again bested the previous year to handle the largest volume of septage that we have ever received in a single year.

Pilot testing for the newest plant upgrade which began in November 2016 continued until August of this year when the 2 units left the site for the last time. As these units were onsite for 3 trial periods this year they consumed a considerable amount of our labor.

Both plant operators attended numerous classes for lagoon operation, plant maintenance, safety and regulatory changes throughout the year to maintain our operator certification.

The monitoring wells and surface water sites were inspected and sampled twice for the year at the Breakneck Road landfill and the Claremont Road ashfill. We

also put in time at the Ashfill site on John Stark Highway to do regular inspections and necessary minor repairs. The site was once again mowed this year to keep it free of trees and brush.

The Town is still overseeing the operation and maintenance of the Dorr Woolen lagoons as the lagoons continue to handle storm water and runoff. This requires a fair amount of time from the operators in monitoring and maintaining the facility as a whole. Once again time was spent to mow and remove additional trees and brush from the area as well as doing fencing repairs.

The Industrial Pretreatment Program (IPP) program and Town Sewer Use Ordinance are in effect I would ask everyone to be extra careful in what you dispose of into the sewerage system. We have to eliminate the disposal of any expired or unused medications, petroleum based products (paints, motor oils, cleaning solvents) and any other hazardous or toxic compounds into the sewer system that could impact the collection and treatment systems. There is a tremendous amount of fats, oils and greases being discarded into the sewer system. Unfortunately, it is not breaking down and is ending up as large clumps in our wetwells or going through the plant and floating on the surface of the lagoons. This results in time and money being spent to skim it off the surface before it becomes a treatment problem. There is literature available at the plant and Town Office that can provide information on how to properly dispose of fats, oils, greases, unused medications and hazardous waste rather than discarding it to the sewer system.

Another item of extreme concern is the increased use of the disposable cloth/paper towelettes. They originally came about as baby wipes and are now available for almost any type of cleaning need, from polishing furniture to cleaning vehicles. While they are disposable as municipal trash, they are not made to be disposed of down the sewer, no matter what the manufacturer's instructions might say. They are not even flushable! Even when we grind them up they will re-form into a rag rope and tie themselves around our screenings and pumping equipment, resulting in more wear and tear on the machinery. We have literature and additional information on how to handle and dispose of these products at the plant and Town Office for anyone who is interested. Please stop by or call us if you have any questions at all about the proper disposal of these items.

Sewer users should try to eliminate the amount of phosphorus-based cleaners and fertilizer products that they use and dispose of to the sewer and storm water drainage system. Should anyone need help or information in how to deal with the proper disposal of any of these types of products, please do not hesitate to call us at the treatment plant. We will provide you with whatever assistance you may need so that they are not improperly discarded into the sewers or storm drains.

We also would like to thank those residents who participate in the fall leaf pickup, especially those who used the paper bags. Once again this year we only had a handful of plastic ones show up at our front gate. This makes the handling of the leaves so much cleaner and safer than it has ever been in the past. We appreciate your efforts to help us to eliminate the unnecessary waste plastic. Keep up the great job!

For those interested in weather data, our annual recorded precipitation here at the plant was 41.42". This amount is 0.11" above our 46 year average of 41.31". This made 2017 a typical year considering in August it looked like the year was tracking to be one of the driest on record.

As we were at the average for 2017 precipitation levels, we experienced proportionally higher flows coming into the plant than we did in 2016. The average daily flow into the plant was running 531,315 gallons per day (GPD) which gave us 42,060 GPD more this year than we saw in 2016. Our fluctuation in daily flow continues to show that as the rainfall varies up or down so do our flows accordingly. Due to infiltration, the rainfall influences the volume of water going into the sewer lines when we are in a wet season. On that same concept when we have dry weather those same broken pipes are now exfiltrating raw sewage back into the soil. In this situation not all of the sewage is able to reach the plant for full treatment. We must continue to work to improve the integrity of the underground sewer lines so that they are not subject to the whims of the surface and ground water.

	2017	2016
WASTEWATER	193,929,800	178,578,000
SEPTAGE	295,025	264,055

I want to express my appreciation to the other Town departments and members of the community for their continued support and assistance.

**ARNOLD L. GREENLEAF\PLANT SUPERINTENDENT
RICHARD BOONE\PLANT OPERATOR**

WATER AND SEWER DEPARTMENT

2017 Annual Report

www.newportnh.gov/water-sewer-department

Water & Sewer Department Contacts

Questions, comments, suggestions	(603) 863-4271	Superintendent
Billing information and questions	(603) 863-8006	Billing Office
After hours emergency calls	(603) 863-3232	Emergency Dispatch

THE NEWPORT WATER DEPARTMENT is committed to providing our customers with quality water that meets or surpasses all state and federal standards for quality and safety. Our water is sampled and tested in accordance with state and federal requirements for over 150 different contaminants. We are fortunate to have such clean and pure supplies of drinking water.

Our water system priorities are:

1. Providing adequate fire protection
2. Meet or exceed US EPA Drinking water standards
3. Protection of our water sources
4. Respond to emergencies as soon as possible
5. Maintaining a secure water distribution system
6. Proper monitoring and warning systems

Major Tasks:

- The Water & Sewer Department repaired water main breaks and leaks on Reeds Mill, and Pinnacle Roads, South Main, Third, and Winter Streets and Belknap Avenue.
- New fire hydrants were installed on Middle and Winter Streets, and the broken hydrant at the corner of Sunapee and Summer Streets was discontinued. This hydrant will be replaced in the spring when the Fire Department approves a new location.
- The Water & Sewer Department unplugged sewers on North Main Street, John Stark Highway Plaza, Luxury Avenue, Pinnacle, South Main, Spruce, and Summer Streets.

- All permitted backflow devices were tested.
- The Water Treatment Plant received a new liquid chlorine storage tank; a new more reliable peristaltic pump for chlorine, and new Siemens Sonar level sensors inside its water filters.
- Most of the fire hydrants in Town were painted.
- The Water & Sewer Department coordinated with the NHDOT (New Hampshire Department of Transportation) & Newport Highway Department to raise over 140 gate valve and manhole covers, in conjunction with their highway Shim and Overlay Paving Project. Water & Sewer Department personnel also assisted the Highway Department in culvert cleaning, downtown snow removal, sidewalk tractor operation, and road maintenance.

Proposed Projects:

- First, Second, Third and Fourth Streets Infrastructure Project
- Replace water intake structure at Gilman Pond
- New back-up well supply test drilling
- Replace worn-out vehicles and equipment
- Upgrade the Water Treatment Plant to complete SCADA with remote operator access
- Hydrant and manhole replacement; & water and sewer system replacement and repairs
- Replace large water meters, integrate smart meter reading technology
- Replace residential water meters and integrate radio read technology
- Upgrade Pollards Mill well equipment
- Proactive water main leak detection

Training & Certifications:

Newport Water & Sewer Department personnel received professional development training in:

Workzone and Trenching Safety; New Hampshire Water Works Annual Technical Meeting; Electricity, Motors, and Generators; Traffic Safety Work Zone Flagging; Confined Spaces, Defensive Driving, Operating & Maintaining Your Distribution System; Process Control; Water System Hydraulics; Chemical Feed Pump O&M; Valve O&M; Well Rehab & Maintenance; Chlorine Disinfection; GSRWA Annual Meeting, Personal Protection Equipment; Communicable Disease Exposure & Control; Cyanobacteria Workshop; Hydrant O&M; Fundamentals of Reading Blueprints; Centrifugal Pump Operation; Understanding the Safe Drinking Water Act; Intro to Cross Connection; Water System Audits & Conservation; & Hydrant Flushing & Maintenance.

Benjamin Clarke, Water & Sewer Utilities Technician, passed his examination and received certification as New Hampshire Water Distribution Operator Grade I.

Water Production:

The Water Filtration Facility in Unity and the Pollards Mills Well continue to consistently produce high quality water. Water production in 2017 was 8% less than in 2016. The Pollards Mill Well produces about 15% - 20% of our total water supply.

Annual Water Production Gallons	2016	2017
Total Flow	157,395,029	144,205,909
Average Daily Flow	430,268	393,980
Maximum Daily Flow	714,180	543,360

Water & Sewer Department Operational Statistics:

DESCRIPTION	APPROX No's	DESCRIPTION	APPROX No's
Water Turned On	26	Real Estate Closing Final Read	87

Water & Sewer Superintendent*

2018 Consumer Confidence Report

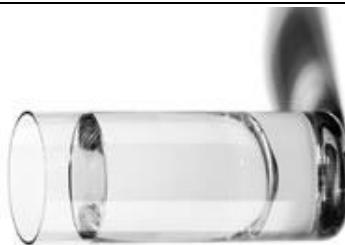

Newport Water Works

EPA ID# 1741010

What is a Consumer Confidence Report?

The Consumer Confidence Report (CCR) details the quality of your drinking water, where it comes from, and where you can get more information. This annual report documents all detected primary and secondary drinking water parameters, and compares them to their respective standards known as Maximum Contaminant Levels (MCLs).

NOW IT COMES WITH A LIST OF INGREDIENTS.

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.

Inorganic contaminants, such as salts and metals, which can be naturally occurring or result from urban storm water runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.

Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.

Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff, and septic systems.

Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. The US Food and Drug Administration (FDA) regulations establish limits for contaminants in bottled water which must provide the same protection for public health.

What is the source of my drinking water?

Newport Water Works has two sources; Gilman Pond in Unity is our surface water supply, and Pollards Mill Well is our deep groundwater supply.

The Gilman Pond Water Filtration Plant treats approximately .5 million gallons per day (MGD) and is the primary water source. The Pollard Mill Well is used as a supplemental source. Gilman Pond is a water source in Unity that has been Newport's primary water supply for over one-hundred years. The water in this source has exceptional clarity with visibility to 25 feet. Water from Gilman Pond is piped into our water treatment plant where the water goes through a process known as slow sand filtration. Slow sand filtration is one of the most reliable water treatment methods.

A small amount of chlorine is added to the water as a disinfectant before it enters the water system. Sodium silicate is also added during the water treatment process, to help prevent the corrosion of metal pipes.

Why are contaminants in my water?

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about

contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at 1-800-426-4791.

Do I need to take special precautions?

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial contaminants are available from the Safe Drinking Water Hotline at 1-800-426-4791.

How can I get involved?

For more information about your drinking water, please call the Water & Sewer Superintendent, at 863-4271. Although we do not have specific dates for public participation events or meetings, feel free to contact us with any questions you may have.

- Please check out the Town of Newport's new website at www.newportnh.gov

Violations and Other information:

Newport Water Works had **no** violations in 2017.

What Can I do to save water?

Newport Water Works is a proud promotional partner with the US EPA WaterSense Program. WaterSense labeled products have the same or better performance than their water-wasting counterparts. Please consider upgrading toilets, faucets, showerheads, urinals, and irrigation controllers to ones that have the EPA WaterSense label. More information on these high-performance water saving devices can be found at www.epa.gov/watersense. Save some water, and possibly money on your water bill.

NTU: Nephelometric Turbidity Unit

pCi/L: picoCurie per Liter

ppb: parts per billion

ppm: parts per million

RAA: Running Annual Average

TTHM: Total Trihalomethanes

UCMR: Unregulated Contaminant Monitoring Rule

ug/L: micrograms per Liter

Definitions

Maximum Contaminant Level or MCL: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.

Maximum Contaminant Level Goal or MCLG: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.

Maximum Residual Disinfectant Level or MRDL: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.

Maximum Residual Disinfectant Level Goal or MRDLG: The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

Treatment Technique or TT: A required process intended to reduce the level of a contaminant in drinking water.

Abbreviations

BDL: Below Detection Limit

ug/L: milligrams per Liter

NA: Not Applicable

ND: Not Detectable at testing limit

Drinking Water Contaminants:

Lead: If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. This water system is responsible for high quality drinking water, but cannot control the variety of materials used in your plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing cold water from your tap for at least 30 seconds before using water for drinking or cooking. Do not use hot water for drinking and cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://water.epa.gov/drink/info/lead/index.cfm>.

SOURCE WATER ASSESSMENT SUMMARY:

DES prepared drinking water source assessment reports for all public water systems between 2000 and 2003 in an effort to assess the vulnerability of each of the state's public water supply sources. Included in the report is a map of each source water protection area, a list of potential and known contamination sources, and a summary of available protection options. The results of the assessment, prepared on *October 2002*, are noted below.

Gilman Pond Pollards Mill Well

	Gilman Pond	Pollards Mill Well
High	0	2
Medium	1	3
Low	11	7

Please note: This Source Water Assessment is over fifteen years old and it is possible the risks may have changed. More information is available on the New Hampshire DES Drinking Water Source Assessment website;

<http://www.des.nh.gov/organization/divisions/water/dwgb/dwsap/dwsap.htm>

System Name: Newport Water Works

PWS ID: 1741010

2018 Report (2017 data)

LEAD AND COPPER						
Contaminant (Units)	Action Level	90 th percentile sample value *	Date	# of sites above AL	Violation YES/NO	Likely Source of Contamination
Copper (ppm)	1.3	.206	9/18/17	0	NO	Corrosion of household plumbing systems; erosion of natural deposits; leaching from wood preservatives
Lead (ppb)	15	.009	9/18/17	0	NO	Corrosion of household plumbing systems, erosion of natural deposits

DETECTED WATER QUALITY RESULTS

Contaminant (Units)	Level Detected*	MCL	MCL G	Violation YES/NO	Likely Source of Contamination	Health Effects of Contaminant
Microbiological Contaminants						
<i>E. coli</i> Bacteria	0 NONE DETECTED	0	0	NO	Human and animal fecal waste	<i>E. coli</i> are bacteria whose presence indicates that the water may be contaminated with human or animal wastes. Human pathogens in these wastes can cause short-term effects, such as diarrhea, cramps, nausea, headaches, or other symptoms. They may pose a greater health risk for infants, young children, the elderly, and people with severely compromised immune systems.
Turbidity (NTU)	0.128 Highest Avg. Measurement 0.170 Highest Monthly 100% Samples OK	TT max 1.0 NTU 95% of tests ≤ 0.3	N/A	NO	Soil runoff	Turbidity has no health effects. However, turbidity can interfere with disinfection and provide a medium for microbial growth. Turbidity may indicate the presence of disease-causing organisms. These organisms include bacteria, viruses, and parasites that can cause symptoms such as nausea, cramps, diarrhea, and associated headaches. Newport uses turbidity to measure how "cloudy" the water is before any treatment, and how "cloudy" it is after treatment. All surface water systems monitor this to determine how effective the treatment process and analytical equipment is.

Inorganic Contaminants

	Range	MRDL = 4	MRDL = LG = 4	NO	Water additive used to control microbes	
Chlorine (ppm)	0.2 – 1.52					Some people who use water containing chlorine well in excess of the MRDL could experience irritating effects to their eyes and nose. Some people who drink water containing chlorine well in excess of the MRDL could experience stomach discomfort.
Nitrate (as Nitrogen) (ppm)	0.58 (Pollards Mill) 0.12 (Gillman Pond)	10	10	NO	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits	(5 ppm through 10 ppm) Nitrate in drinking water at levels above 10 ppm is a health risk for infants of less than six months of age. High nitrate levels in drinking water can cause blue baby syndrome. Nitrate levels may rise quickly for short periods of time because of rainfall or agricultural activity. If you are caring for an infant, you should ask for advice from your health care provider. (Above 10 ppm) Infants below the age of six months who drink water containing nitrate in excess of the MCL could become seriously ill and, if untreated, may die. Symptoms include shortness of breath and blue baby syndrome.

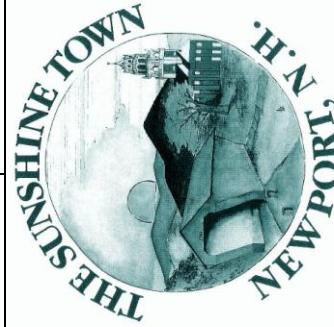

Volatile Organic Contaminants

Haloacetic Acids (HAA) (ppb)	Range 8.8-31 20 (Site 321) 23 (Site 322)	60 (Site 321) (Site 322)	NA (Site 321) (Site 322)	NO (Site 321) (Site 322)	By-product of drinking water disinfection (Site 321) (Site 322)	Some people who drink water containing Haloacetic acids in excess of the MCL over many years may have an increased risk of getting cancer.
Total Trihalomethanes (TTHM) (ppb)	Range 22-94 67 (Site # 321) 43 (Site #322)	100/80 (Site # 321) (Site #322)	N/A (Site # 321) (Site #322)	NO (Site # 321) (Site #322)	By-product of drinking water chlorination (Site # 321) (Site #322)	Some people who drink water containing trihalomethanes in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous systems, and may have an increased risk of getting cancer.

8

ADDITIONAL TESTING

Additional Tests & Secondary MCLs (SMCL)	Results	Date	Treatment technique (if any)	AL (Action Level), SMCL or AGQS (Ambient groundwater quality standard)	Specific contaminant criteria and reason for monitoring
Chloride (mg/L)	26	1/20/17	Reverse Osmosis	250 mg/L	Salty taste. No Known Health Effects.
Hardness (mg/L)	7.0 (Very Soft)	7/07/17	Water softener	0-300 mg/L	We voluntarily sampled for Chloride 0-75 Soft water, 76-150 Somewhat hard, 151-300 hard, 301 and up very hard
Sodium (ppm)	4.7	7/07/17	Reverse Osmosis	100-250 ppm	We voluntarily sampled for hardness Salty Taste. No Known Health Effects.

The Town of Newport would like to thank the following Organizations for being sample location hosts;

- Newport School District SAU #43 -
- Sturm Ruger Co. Inc. - Z&W Machine-
- LE Weed & Son - Summercrest Senior Living Community - Parlin Field Airport-

Visiting Newport of The Past

Early History of Newport's Town Center by Lawrence Cote

When Newport was first settled in the late 1760's the town center was along what is now Unity Road and Pine Street. As the town continued to grow, the business sector was mostly located in the area of what is now Spring Street at the foot of Claremont Hill. By 1806 when the Croydon Turnpike, now Route 10, was extended from Croydon through Newport to Goshen, the merchants knew that the stagecoaches and teamsters bringing their products to Boston would be traveling along Croydon Turnpike. Wanting to take advantage of this traffic, the merchants decided to move to what is now Newport's town center. Two of the major figures of the time were James Breck and Colonel William Cheney. Their ideas on location differed. Breck wanted the town center to be south of where the Sugar River crosses what is now Main Street. William Cheney wanted it to be north of the river.

Circa 1810, the Nettleton Block, a wood framed business block, was built at what is the corner of Sunapee Street and Main Street, (the current location of the Lewis Block and home to the Petal Patch Florist). In 1814, Col. William Cheney built the Newport House at the corner of Sunapee Street and North Main Street, now the parking lot for Sullivan County offices. Circa 1816 Col. William Cheney built his business block, a long wooden framed building, where Richards Block is now and the home of Lake Sunapee Bank. Also around this time Col. Cheney built his "Brick Mansion" at what is now the corner of Depot Street and North Main Street, (the location of McCrillis & Eldredge Insurance Co.). Meanwhile, James Breck built his brick business block, circa 1816, on the corner of Elm Street and South Main Street, where the Rite-Aid Pharmacy is currently located. This sets the scene for a pictorial sketch of Newport, N.H. *The Wheeler History of Newport, N.H. 1761-1878* is the historical authority. As with most historical accounts, some of the dates are in question. For example, I have read elsewhere that the Cheney Block was built in 1810.

Postcards, stereo optic cards, and old photographs are a great way to photo document most any town in America. Stereo optic cards had their heyday from 1850 until 1930, photographs in some form from the 1850's to the present, and postcards from 1893 to the present. Newport, New Hampshire is no exception. We were fortunate to have several accomplished photographers in town and several merchants to sell postcards, including Johnson's Variety Store, Kelly's Pharmacy, Willey's

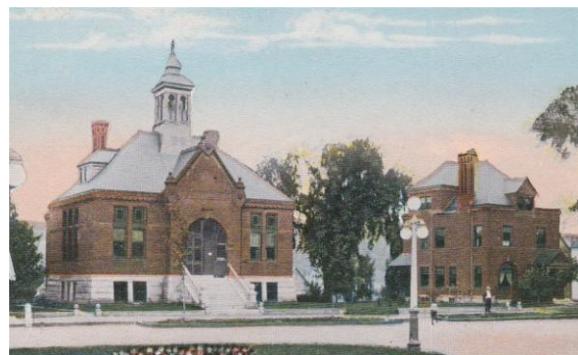

Pharmacy, Corner Pharmacy and Towne's Sugar River Pharmacy to mention a few.

Using these photo documents, let's take a look at the history of the center of town. We will first start at what is now Sugar River Bank, continuing down that side to the Sugar River.

The Library House is the brick building to the left in this image

This is a view of what was known as the Library House. It was built in 1893 by Dexter Richards on the site of Sarah J. and David Hale's home. The Library house was built so that the income from renting the house could support the Library.

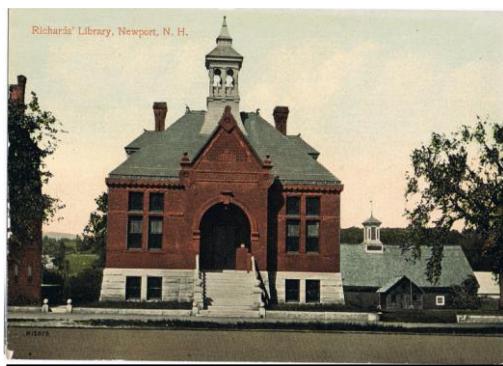

Richards Library and Library House

The original Richards Free Library was built by Dexter Richards in 1888.

This postcard captures the little common in the foreground to the left, a touch of the large common to the right, the Cheney Mansion behind the gazebo, Richards Library in the center and Sarah J. and David Hale's home to the right. The Hale house was moved to Myrtle St. so that the Library House could be built in its place.

Original Richards Free Library

In 1963 both the Library and the Library House were razed to build the Sugar River Bank building.

Library being razed

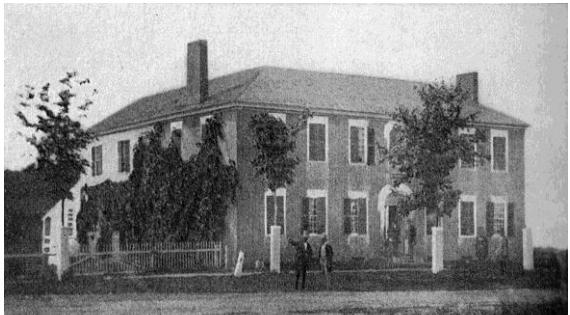

Library House being razed

Sugar River Bank building with A&P Food Store building (and little common in front with gardens planted)

For comparison you can see the A&P Food Store building and to the left, the Library House and the Library just before the buildings were razed.

Col. Cheney Mansion
(now McCrillis and Eldredge Insurance)

The Colonel Cheney Mansion built circa 1816 by Col. Cheney as his home. Dexter Richards purchased it in 1873, added the mansard roof and converted it to be used as a business block. Circa 1930 the mansard roof was removed after a fire in the building. Today it is the home of the McCrillis and Eldredge Insurance Company.

Mansion converted to business block

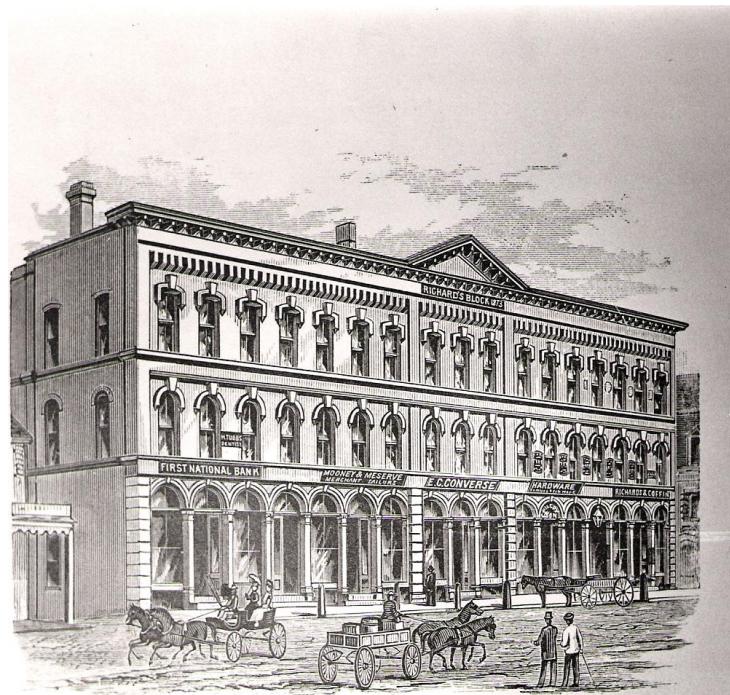

Flat roof after fire as Condon's Super Market (library and library house shown to the right)

An image from a stereo optic card of the "Cheney Block", built circa 1816, by Colonel William Cheney, and is believed to be one of the first commercial buildings, built on what is now Main Street in Newport, N.H. This building was home to a number of businesses. It was sold to Dexter Richards in 1873; he had the building cut into thirds and moved to Depot Street.

The Richards Block, now home to the Lake Sunapee Bank was built circa 1874 on the site of the old Cheney Block. It has been the home to several banks, pharmacies, law offices, telephone company, dentists, clothing & hardware stores over these last 140 plus years.

Richard's Block with the following businesses: bank, merchant tailor, hardware store, a dentist office, and business offices

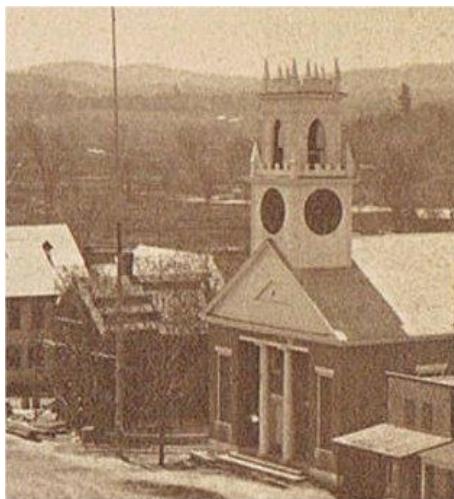

Closer to the modern day Richard's Block

Telephone Exchange that was once housed in
Richards Block

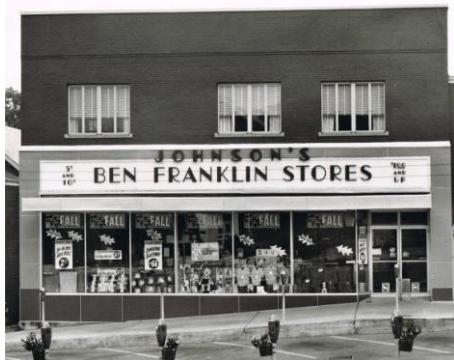

The Johnson's Block, built circa 1837 as the Universalist Church, was sold to John W. Johnson circa 1895 who converted it into a business block. The old clock and the Revere Bell were sold to the Town of Newport. They can be seen today, the clock is in the current tower of the Opera House while the Revere Bell is encased in a viewing enclosure in front of the Opera House. The Johnson family operated a business in this Block until circa 1995 under the names "The Johnson Variety Store" and "The Ben Franklin Store". Today it is the home of the Newport Fitness Center.

Universal Church (now Newport Fitness)

Johnson block after clock tower was removed and building was converted into a business block for Johnson's Variety Store

Johnson Block pictured with a flat roof that replaced the old roofline after a fire

The Old County Jail built circa 1842 was converted into a theater by Dr. Cain in 1913.

Outside and inside of old county jail

County Jail converted to a Theatre

Over the years it has housed many businesses: an appliance store, finance department, cable television company, and is now the home of 31 Main Street Salon and Aurora Bakery.

The Lantz Block, formally known as the Citizens National Bank Building, was built circa 1912. The old wooden framed home of Doctor Claggett, built in 1836, was moved back, to make room for the bank building.

Doctor Claggett's home

Since 1948 Lantz Block has been the home to MJ Harrington & Co. jewelry store. In the 1970's it was the location of the Town Offices, and before that the Sugar River Bank.

Lantz Block 1912: home of Bob's Sport Shop on the left, Newport Town Offices to the right as well as Citizens National Bank

Home of Citizens National Bank/ Sugar River Savings Bank; upstairs was Sullivan County offices and a lawyer's office

Inside Citizens National Bank

Hurd's Block at 69-71 Main Street built circa 1836. For most of its existence it has been a Pharmacy, starting with Carlton Hurd, Hurd & Bronson, Bronson's, Towne's Sugar River Pharmacy. Recently it was the home to Alden's of Sunapee where they sold kayaks.

Now we will go back to the Common and start down the other side from what is now the County/Municipal Parking Lot.

The Newport House (pictured right) was built circa 1814 on the corner of Sunapee & North Main Streets, by Colonel William Cheney and burned in 1860.

It was rebuilt the same year and enlarged in 1874. It went through a modernization in 1908 and was said to be the most modern hotel north of Boston. It had steam heat throughout the building, a bathroom and telephone in each room. On the first floor was a Ladies waiting room, a Gentleman's smoking lounge, as well as a restaurant. This property is now the site of the newly redesigned county/municipal parking lot.

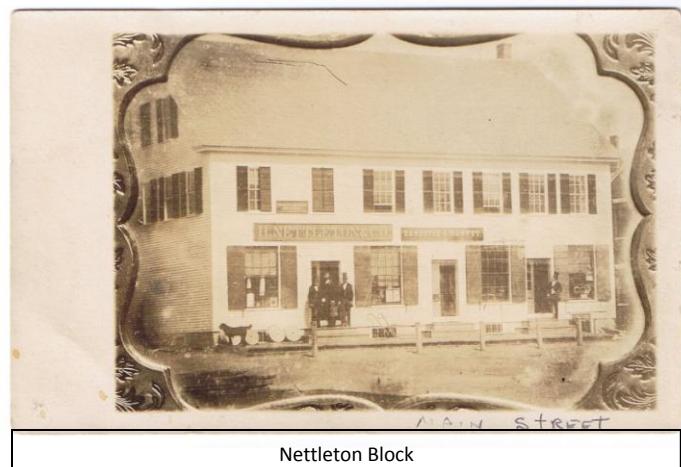

Newport House after enlarging in 1874

Newport House at the turn of the 20th century...majestic and modern; Also pictured is example of a menu from the restaurant

= Menu =		
Consomme	D'Orsay	Tortue Claire
Salmon a la Norwegiene		Pommes Bignats
Celery	Lettuce	Queen Olives
Oyster	Cocktail	
Vermont Turkey a l'Anglaise	Cranberry Jelly	
Prime Beef au Jus		
Saddle of Elk a la Corbin		
Shrimp	Sur la Grill	
Peach Fritters	Glace en Sabyan	
Vols-au-vent garnis aux Hautires		
Salad de Poulet		
Steamed and Mashed Potatoes		
Boiled Spanish Onions		
Mashed Hubbard Squash		
Steamed Fruit Pudding	Brandy Sauce	
Mince Pie	Apple Pie	Squash Pie
	Vanilla Ice-cream	
Tea	Coffee	Milk
Crackers		Cheese

The Nettleton Block was built on the corner of Sunapee Street and Main Street circa 1810. It was lost in a fire in 1885.

Lewis Block – Currently the home to Petal Patch and several other businesses

The current Lewis Block was built in 1886. The Lewis Block has been a center for many different businesses ranging from a pharmacy, a barber shop, dry goods stores, real estate office and restaurants.

This building was known as “The Bank”. We have little information about it other than it was lost in the same fire as the Nettleton Block in 1885.

Bank building

The DeWolf Block was built at that location circa 1893. It too was a business block for many years until purchased by Sullivan County for their new offices.

DeWolf Block- once home to many businesses is now a County owned building housing Sullivan County offices

The first “Town Hall/Courthouse” was built circa 1872 on the site of the old Dr. J. L. Swett’s home. It was lost in the fire of 1885.

Original Town Hall/Courthouse and photos of the ruins after the fire of 1885 that took down the entire 3 building block

The “Opera House” that we now have was built in 1886 on that same site. The stage was added to the Opera House circa 1903. The Opera House was one of the more popular buildings for performances because it had one of the largest stages north of Boston. The clock face on this building came from the original Universalist Church from across the street.

Pictured is the modern block Including the Lewis Block, De Wolf Block and Opera House/Town Office

The “Old Courthouse” was built circa 1825/26 in anticipation of the forming of Sullivan County. The Town Offices were on the first floor and the second floor was the County Courthouse. In 1874 when the new “Town Hall” was built, the Town gave the School District a 99 year lease on the building; four of the in-town school districts were closed and consolidated into this building. In 1896 it became the home of the Sullivan County No. 8 Grange Hall. The Greek School held its functions on the second floor. It fell into disrepair and was renovated in 1974. After the renovation; the first floor was again used as a Courtroom and the second floor was the Newport Historical Society’s Museum until 2011.

Courthouse Square

Courthouse as a School and Grange

The County Safe Building was built circa 1843. From time to time it has been a Town Office, Police Office, and a Bank.

County Safe Building as Citizens National Bank

County Safe Building as the Newport Police Department

The Wheeler Block was built circa 1858 by Edmund Wheeler as a business block. It has been the home of The Argus-Spectator Newspaper, Belknap Harness Shop, Western Auto and Hubert's Department Store.

Wheeler Block with Insurance Sales and Western Auto; The Eagle Block is pictured to the right

Wheeler Block with C.H.Watts Harness Maker and Carriage Trimmer and Argus Office

The Eagle Block was built circa 1825 as the Eagle Hotel. It was operated as a hotel until 1856. The Edes family purchased the building at auction and converted it into a business block. The Edes family owned the building for about 100 years; it was renovated in the 1990's and is today the home of the Salt Hill Pub.

Eagle Block home of EDES & Co., S.F. Putnam Dentist, Steam Laundry Agency, Hunton & Barkers Clothiers & Furnishers

Inside EDES & Co.

Town of Newport

Town Warrant

2018 Annual Meeting

To the inhabitants of the Town of Newport in the County of Sullivan in the State of New Hampshire, qualified to vote on Town affairs:

You are hereby notified and warned to meet at the Town Hall, 20 Main Street in said town of Newport on Tuesday, April 3, 2018 at 6:00 PM for the first session of the Annual Town Meeting (the “Deliberative Session”) which shall be for the transaction of all business, other than voting by official ballot, and shall consist of explanation, discussion and debate of the following Warrant Articles.

Further, you are hereby notified and warned to meet on Tuesday, May 8, 2018 at the Town Hall, 20 Main Street in said town of Newport between the hours of 8:00 AM and 7:00 PM for the second session of the Annual Town Meeting to elect officers and vote by official ballot upon the following Warrant Articles, which may be amended by the Deliberative Session:

ARTICLE 1 To elect a Selectman for three (3) year term.

ARTICLE 2 To elect a Supervisor of the Checklist for a six (6) year term.

ARTICLE 3 To elect a Moderator for a two (2) year term.

ARTICLE 4 To elect a Library Trustee for a three (3) year term.

ARTICLE 5 To elect a Trustee of Trust Funds for a three (3) year term.

ARTICLE 6 To see if the Town will vote to raise and appropriate the sum of up to Seventy-Three Thousand One Hundred Twenty-Three (\$73,123) Dollars for the costs related to the engineering, land acquisition and construction of the 1st, 2nd, 3rd, 4th and Knoll Streets Infrastructure Project. Said sum to come from the issuance of bonds or notes under and in compliance with the Municipal Finance Act (RSA 33) and the Board of Selectmen is authorized to issue and negotiate said bonds or notes and determine the rate of interest and time period thereon, and to take other such action as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town; and to further authorize the Board of Selectmen to apply for, accept and expend such monies as become available from the Federal and/or State governments for use in connection with said project and pass any votes thereto. This is a non-lapsing article per RSA 32:7 III and will not lapse until the completion of the project. **(3/5ths majority required) (Recommended by the Board of Selectmen and the Budget Advisory Committee.)**

(Note: There is no current tax impact from this article. Repayment of this debt would be expected to come from the General Fund and is anticipated to

(be budgeted in the 2019-2020 Fiscal Year, with an estimated tax impact in that year of \$.01.)

ARTICLE 7

To see if the Town will vote to raise and appropriate the sum of up to Eight Hundred Forty-Three Thousand Five Hundred (\$843,500) Dollars for the costs related to the engineering, land acquisition and construction of the Knoll Street Infrastructure Project (from Spring St. to 1st St). Said sum to come from the issuance of bonds or notes under and in compliance with the Municipal Finance Act (RSA 33) and the Board of Selectmen is authorized to issue and negotiate said bonds or notes and determine the rate of interest and time period thereon, and to take other such action as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town; and to further authorize the Board of Selectmen to apply for, accept and expend such monies as become available from the Federal and/or State governments for use in connection with said project and pass any votes thereto. This is a non-lapsing article per RSA 32:7 III and will not lapse until the completion of the project. **(3/5ths majority required) (Recommended by the Board of Selectmen and the Budget Advisory Committee.)**

(Note: There is no current tax impact from this article. Repayment of the funds would be expected to consist of \$261,485 from the General Fund, \$320,530 from the Water Fund and \$261,485 from the Sewer Fund and is anticipated to be budgeted in the 2019-2020 Fiscal Year, with an estimated tax impact in that year of \$.05.)

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of up to One Hundred Thousand (\$100,000) Dollars for the costs related to the development of an asset management program for storm water, water and sewer assets, which will make the Town eligible for State and Federal funds. Said sum to consist of \$40,000 from the Water Fund and the balance from the issuance of \$60,000 in bonds or notes under and in compliance with the Municipal Finance Act (RSA 33) and the Board of Selectmen is authorized to issue and negotiate said bonds or notes and determine the rate of interest and time period thereon, and to take other such action as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town; and to further authorize the Board of Selectmen to apply for, accept and expend such monies as become available from the Federal and/or State governments for use in connection with said project and pass any votes thereto. This is a non-lapsing article per RSA 32:7 III and will not lapse until the completion of the project. **(3/5ths majority required) (Recommended by the Board of Selectmen and the Budget Advisory Committee.)**

(Note: There is no current tax impact from this article. Repayment of the funds is expected to consist of \$30,000 from the General Fund and \$30,000 from the Sewer Fund and is anticipated to be budgeted in the 2019-2020 Fiscal Year, with an estimated tax impact in that year of \$.01.)

ARTICLE 9

To see if the Town will vote to raise and appropriate the sum of up to One Hundred Seven Thousand Five Hundred (\$107,500) Dollars for the costs related to the upgrade of the SCADA system at the Water Treatment Plant. Said sum to come from the issuance of bonds or notes under and in compliance with the Municipal Finance Act (RSA 33) and the Board of Selectmen is authorized to issue and negotiate said bonds or notes and determine the rate of interest and time period thereon, and to take other such action as may be necessary to affect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town; and to further authorize the Board of Selectmen to apply for, accept and expend such monies as become available from the Federal and/or State governments for use in connection with said project and pass any votes thereto. This is a non-lapsing article per RSA 32:7 III and will not lapse until the completion of the project. **(3/5ths majority required) (Recommended by the Board of Selectmen and the Budget Advisory Committee.)**

(Note: There is no current tax impact from this article. Repayment of the funds is expected to come from the Water Fund and is anticipated to be budgeted in the 2019-2020 Fiscal Year, with no tax impact.)

ARTICLE 10

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the posted budget with the warrant, or as amended by the first session of the annual meeting, for the purposes set forth therein totaling Nine Million Nine Hundred Eighty-Nine Thousand Seven Hundred Thirty-Two (\$9,989,732) Dollars. Should this article be defeated, the default budget shall be Nine Million Six Hundred Seventy-Five Thousand Two Hundred Sixty-Six (\$9,675,266) Dollars, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **(Recommended by the Board of Selectmen and the Budget Advisory Committee.) (The tax rate of the operating budget is anticipated to be \$11.59 and the default budget is anticipated to be \$11.38.)**

ARTICLE 11

To see if the Town will vote, pursuant to RSA 41:11-a, to authorize the lease of portions of certain Town-owned property, identified on the Town's tax maps as Map 227 Lot 7, Map 246 Lot 11, and Map 246 Lot 35, to Newport Solar I, LLC for a period of up to 36 years (1 year for construction, 25 years for the power purchase agreement, and 2 additional 5 year extensions) for the purpose of locating solar energy facilities that are to provide the Town with a portion of its energy needs, and to further authorize the Board of Selectmen to enter into a Power Purchase Agreement for the purchase of energy produced by the solar energy facilities to be located on said Town-owned land leased for this purpose at a cost to the Town ranging from \$0.0810/kwh in year 1 to \$0.12884/kwh in year 25 of the contract, with such funds to come from amounts appropriated for payment of electricity in the Town's annual operating budgets, and to further authorize the Board of Selectmen to negotiate the terms of, and take any and all actions necessary to implement,

the lease and the Power Purchase Agreement. Copies of the Power Purchase Agreement are available for review at the Town Office and will be available at both sessions of the town meeting.

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand (\$200,000) Dollars for architectural, engineering and construction management fees and related design costs for the development of a new community center and to authorize the Town, through its Board of Selectmen, to enter into the agreements necessary to implement this objective. **(Recommended by the Board of Selectmen and the Budget Advisory Committee.)** (*Tax impact \$.46.*)

ARTICLE 13

To see if the Town will vote to appropriate the sum of Six Thousand Seven Hundred (\$6,700) Dollars to complete the necessary funding to purchase land which is a portion of Map 110 Lot 27 abutting the current recreation center, said sum to come from available surplus from the June 30, 2018 Fund Balance. **(Recommended by the Board of Selectmen and the Budget Advisory Committee.)** (*This article has no tax impact.*)

(Note: The 2015 Town Meeting appropriated \$31,800 for the purchase of this land which will be subdivided from the current lot; however the land was not available until 2017 and the purchase price has increased.)

ARTICLE 14

To see if the Town will vote to appropriate the sum of Eighty Thousand (\$80,000) Dollars for the costs associated with updating Finance Department computer capabilities, including the purchase of new software and hardware, licensing fees, installation and training and to further authorize the withdrawal of \$21,000 from the Finance Department Capital Reserve Fund for this purchase. The balance of funds needed will consist of \$19,000 raised from taxes from the General Fund and \$20,000 each from the Water and Sewer Funds. **(Recommended by the Board of Selectmen and the Budget Advisory Committee.)** (*Tax impact \$.04.*)

ARTICLE 15

To see if the Town will vote to raise and appropriate the sum of Five Thousand (\$5,000) dollars to be transferred to the Communications Capital Reserve Fund which was established in 2015 for the purpose of funding future repair, renovations, and/or replacement of the Town's communication systems. **(Recommended by the Board of Selectmen and the Budget Advisory Committee.)** (*Tax impact \$.01.*)

ARTICLE 16

To see if the Town will vote to appropriate the sum of Thirty Thousand (\$30,000) dollars to be taken from the Sewer Fund and transferred to the Sewer Capital Reserve Fund which was established in 2012 for the purpose of equipment purchases and upgrading the sewer system. **(Recommended by the Board of Selectmen and the Budget Advisory Committee.)** (*This article has no tax impact*)

ARTICLE 17

To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Five Hundred (\$12,500) dollars to be transferred to the District

Court Capital Reserve Fund that was established in 2016 for the purpose of funding any repair, reconstruction or renovations of the District Court building, located at 55 Main St. (**Recommended by the Board of Selectmen and the Budget Advisory Committee.**) (*Tax impact \$03.*)

ARTICLE 18

To see if the Town will vote to raise and appropriate the sum of Ten Thousand (\$10,000) dollars to be transferred to the Recreation Facilities Capital Reserve Fund that was established in 2016 for the purpose funding any construction, reconstruction, repair or renovation of Town-owned or operated recreational facilities. (**Recommended by the Board of Selectmen and the Budget Advisory Committee.**) (*Tax impact \$02.*)

ARTICLE 19

To see if the Town will vote to appropriate the sum of up to Forty Thousand (\$40,000) dollars to be transferred to the Revaluation Capital Reserve Fund that was established in 1984 for the purpose of financing reappraisal of all properties in the Town said sum to come from available surplus from the June 30, 2018 Fund Balance. (**Recommended by the Board of Selectmen and the Budget Advisory Committee.**) (*No tax impact.*)

ARTICLE 20

To see if the Town will vote to appropriate the sum of up to Ninety-Three Thousand Three Hundred Twelve (\$93,312) dollars from the Police Special Detail Special Revenue Fund for the funding of police special details and other costs as allowed by the terms of the Fund as adopted at the 2015 Town Meeting. (**Recommended by the Board of Selectmen and the Budget Advisory Committee.**) (*No tax impact.*)

ARTICLE 21

To see if the Town will adopt the following modification to the elderly exemption:

Shall we modify the maximum net income limits to qualify for elderly exemptions from the property tax in the Town of Newport to increase them for single persons from the current \$26,000 to \$27,900, and for married couples, from the current \$33,000 to \$35,400. If modified, elderly exemptions based on assessed value for qualified taxpayers, would be as follows: for a person 65 years of age up to 75 years, \$30,000; for a person 75 years of age up to 80 years, \$45,000; for a person 80 years of age or older \$60,000, and to qualify, the person must have resided in New Hampshire for at least 3 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$27,900 or, if married, a combined net income of not more than \$35,400; and own net assets not in excess of \$44,000 excluding the value of the person's residence, whether single or married. Additional requirements are set forth in NH RSA 72:39-a.

(Note: The intent of this modification is to increase the maximum net income limits for single persons from the current \$26,000 to \$27,900, and for married couples, from the current \$33,000 to \$35,400 but no other changes would be made.)

- ARTICLE 22** To see if the Town will vote to adopt the provisions of RSA 79-E, which allows the Board of Selectmen to accept and consider requests for community revitalization tax relief incentives. Tax relief may only be granted for a “qualifying structure” as defined by NH RSA 79-E:2, II and only to the extent allowed under NH RSA 79-E. The question on the ballot shall read:
- “Shall the Town adopt the provisions of NH RSA 79-E, Community Revitalization Tax Relief Incentives?”
- (Note: If approved by the town meeting, this article will remain in effect until rescinded by majority vote of a future town meeting.)*
- ARTICLE 23** To see how the Town will vote on the following question pursuant to NH RSA 284:51:
- “Shall we allow the operation of Keno games within the Town?”
- (Note: If approved by the town meeting, this article will remain in effect until rescinded by majority vote of a future town meeting.)*
- ARTICLE 24** To see if the Town will vote, in accordance with RSA 261:157-a, to adopt an ordinance waiving the fee to be charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for 30 days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28, V, and who was honorably discharged, provided the person has provided the city or town clerk with satisfactory proof of these circumstances.
- ARTICLE 25** To see if the Town will vote, in accordance with RSA 32:5, V-b, to require that the annual budget and all special warrant articles having a tax impact, as determined by the Board of Selectmen, contain a notation stating the estimated tax impact of the article.
- (Note: If approved by the town meeting, this article will remain in effect until rescinded by majority vote of a future town meeting.)*
- ARTICLE 26** To see if the Town will increase the amount of the Disabled Property Tax Exemption adopted at the 2013 Town Meeting from \$15,000 to \$150,000. The actual exempt dollar amount would be based on assessed property value in accordance with RSA 72:37-b. **(By Petition)**
- ARTICLE 27** To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for support of West Central Behavioral Health. In fiscal year 2017 – from July 1, 2016 to June 30, 2017 – WCBH provided 274 Newport residents, including 132 children, with a total of \$51,323 in charitable mental health care. As the region’s nonprofit community health center, WCBH provides mental health services for many of the most vulnerable residents, including adults, children and elders of Newport. Support from the Town of Newport will help us sustain our commitment to provide affordable mental health services to area residents. **(By Petition)**

(Not recommended by the Board of Selectmen or the Budget Advisory Committee.) (*Tax impact \$.01.*)

ARTICLE 28 To transact any other business which may come before this meeting.

Default Budget of the Municipality Newport

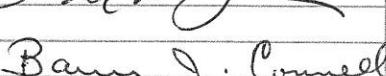

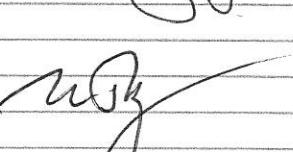

For the period beginning July 1, 2018 and ending June 30, 2019

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

During the year 2016, things returned to normal in the Finance Department. Beyond the normal operations, we were able to reconvene the Capital Improvements Plan (CIP) Committee in the late summer. The Committee determined the goal was to complete a 25 year Plan, but due to the timing, focused on the current year capital requests. That work resulted in a report to the Planning Board and the Board of Selectmen and School Board for consideration when preparing their respective budgets.

Financially, the Town remains in a strong financial position, with adequate cash balances, and moderate uncollected taxes. Most revenue accounts are within budget, and overall, we should complete the year close to the total estimated revenues. Expenditure accounts are currently within budget.

In the upcoming year, we will continue working on the formal preparation of various documents, such as the Water and Sewer Rate Study and the Capital Improvements Plan. The other focus of the coming year will be the analysis of the Department's financial software with the goal of replacing outdated or inefficient programs to improve the operations of the Department.

In conclusion, I would like to thank my staff for their hard work and dedication as well as their patience during my transition.

**Paul J. Brown, CPA,
Finance Director**

TAX DEPARTMENT

Tax Collector
Hunter F. Rieseberg

Senior Deputy Tax Collector
Tammy Flewelling, CDTC

Tax Office Staff

Networking was in full swing at the Spring workshop and Fall Conference. The topics varied from liening and deeding, deposits, to safety in the office. I have been attending the workshops and conferences for some time now and I always come back with something new that I have learned!

Frequently Asked Questions

Do you have a handicapped entrance? Yes, we do. You can access the ramp from the back parking lot, which is located off of Central Street.

Where can I park? There is a beautiful new parking lot on Sunapee Street next to the Methodist Church and there is parking in the back parking lot, which is located off of Central Street.

How long does it take to receive your payment when you have mailed it from Newport? This is a question that I wish I had the answer to. I have seen it take anywhere from 2 days to 28 days.

Why are my neighbor's taxes less than mine? There are many factors to consider; type of house, number of bedrooms, bathrooms, credits, and exemptions to name a few. Compare their assessing card with yours to see why your taxes could be different from theirs. This information can be found on the town's website, www.newportnh.gov.

I had a recent closing and the taxes were prorated, why am I receiving a tax bill? If your closing was in between the first and second billings, you may be receiving a bill because the tax rate increased and the increase is retroactive to April 1.

Your questions and input are welcomed and we will do our best to meet your needs. The tax office staff appreciates your cooperation and understanding that you show toward your tax obligation.

Tammy Flewelling, CDTC
Senior Deputy Tax Collector

Assessor

2017 REVALUATION

Avitar Associates of New England, Inc. completed the 2017 revaluation of Newport. The company began the measure and listing phase of this project in late 2016. Property owners were notified of their new value in later summer of 2017 and hearings were held for those that had questions. The assessments were finalized and the Town issued the final tax bill of 2017 on December 6, 2017. Thank you to the property owners for assisting us with this process.

ASSESSING RECORDS AND TAX MAPS ARE ONLINE

The Town of Newport's website www.newportnh.gov was revamped in the spring of 2017 and now includes links to access both the assessing records and tax maps online. If you are interested in viewing the assessing records, you can do so by going to the website and clicking on the link on the first page or under Departments you can select the Finance/Taxation Department and find the link for the assessing records on that page. For the tax maps the link is located on the Finance/Taxation Department page. The tax maps are updated annually with new subdivisions, annexations and mergers. Both the assessing records and tax map owner information is updated occasionally throughout the year. There is a frequently asked questions section of this page where we update the tax rate and equalization ratio on an annual basis.

OFFICE HOURS/APPOINTMENTS

The Assessing Department is open Monday through Friday from 8:30am to 5:00pm. Assessor George Hildum holds office hours two days per month and appointments can be made if you would like to discuss an issue with him.

Your continuing support of our efforts to maintain quality records is appreciated. If you have any questions or concerns, please feel free to contact us and we will do our best to assist you.

Kaara K. Gonyo
Assessing Assistant

2017 Town Report - Office of the Town Clerk

	Liselle Dufort, CTC Town Clerk		Adelaide Kozlik, CTC Deputy Town Clerk		Jennifer Souliotis Assistant Town Clerk
15 Sunapee Street Newport NH 03773	Office Hours: 8am-4:30 pm M-F	www.newportnh.gov clerk@newportnh.gov			

Greetings from the Town Clerk's Office! We have lot of great things going on in our office to make your transactions easier and faster.

What's new?

We couldn't wait to tell you... **WE ARE NOW ACCEPTING CREDIT CARDS** and debit if it has a Visa or Master Card symbol. At the moment we are the only department in the Town Office that is equipped to handle credit cards and please note there is a convenience fee that is added to your total if you wish to make payment by this method. We will still accept cash and check (only ONE CHECK now) if you wish to continue paying by these methods.

Grants:

Another task that keeps us busy during the first part of the year is grant writing. Your Deputy Town Clerk, Addie Kozlik has been writing successful grants requesting funds from the Moose Plate Grant program for the last 3 years. We received confirmation in late October 2017 that our grant request was once again accepted and we would be receiving the total amount of \$8557.71 to preserve and conserve 4 books from the early to mid 1800s. Once the books have been scanned and digitized they will be added to our historic books collection on our web page www.newportnh.gov/town-clerk.

Education:

This year marked Jenn's second year of certification through the New Hampshire City and Town Clerk's Association (NHCTCA). She has just one year to go to get her Certified Town Clerk status. Certification is a three year process. Clerks attend certification classes for 1 week each year for 3

consecutive years. Topics include things like Dealing with Difficult Customers, DISC, Grant Writing, Retention, Public Speaking, Grammar 101, Writing for Town Report, Understanding Different Personalities, Department of Revenue Administration, Understanding the Legislative Process, and every year there is a full day with the Department of Motor Vehicles, Title Bureau and Department of Vital Records. Topics change from year to year. Once a clerk is certified we must attend yearly regional workshops and/or the annual conference and attend a 1 day recertification every 5 years.

Dogs:

In 2017 we continued our Top Dog Contest and awarded over \$500 in prizes to our 3 Top Dog winners. We offer Top Dog to encourage our residents to license their dogs on time each year.

2017 TOP DOG WINNERS

#1

#2

#3

It wouldn't be possible without our **WONDERFUL SPONSORS. Thank you!**

AUBUCHON HARDWARE

Runnings

Even with all of the fun and publicity of Top Dog and the fact that we email reminders and send out postcard reminders, we still have about 1/3 of our dog population on record that has not been licensed per NH law. We are working on new processes to try to get these owners to comply with the law. Bottom line is

if you are the owner or keeper of a dog you are responsible to license that dog with the Town Clerk. Also keep in mind if you move away or if your dog is re-homed or has passed we will only know about this if you let us know. For easy access you can email us at clerk@newportnh.gov.

Vital Records:

We found 2017 to be a very busy year for our office as you can see by the jump in Town Miscellaneous Fees illustrated in the pages to follow. Two things made this jump in revenue from increased vital records requests possible:

- the State of NH Motor Vehicle Department is now offering REAL ID to the residents of New Hampshire
- the NH Department of Vital Records “million records” initiative that gives clerks across NH access to early vital records from all towns in New Hampshire

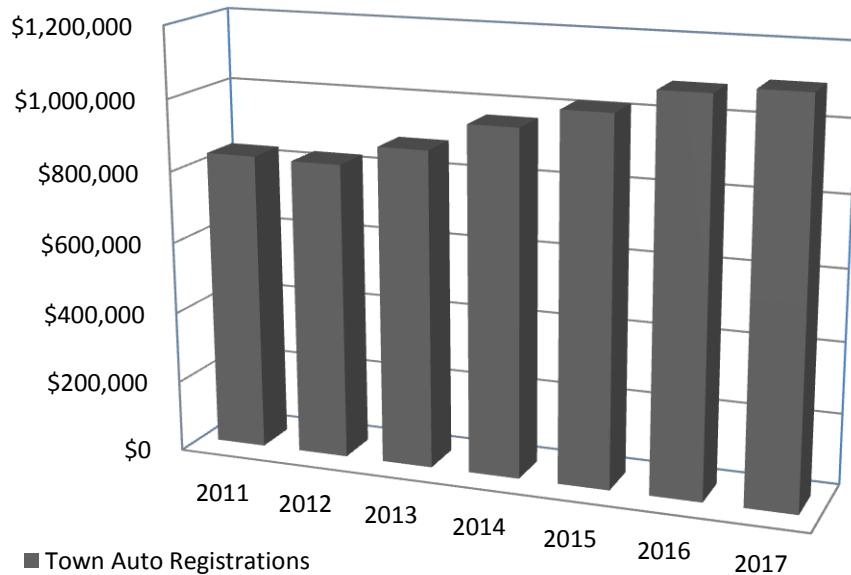

If someone is at the DMV to get their license renewed and they want REAL ID but don't have their NH birth certificate they are told they can come to our office to get the record.

Reminders to make you transaction FAST:

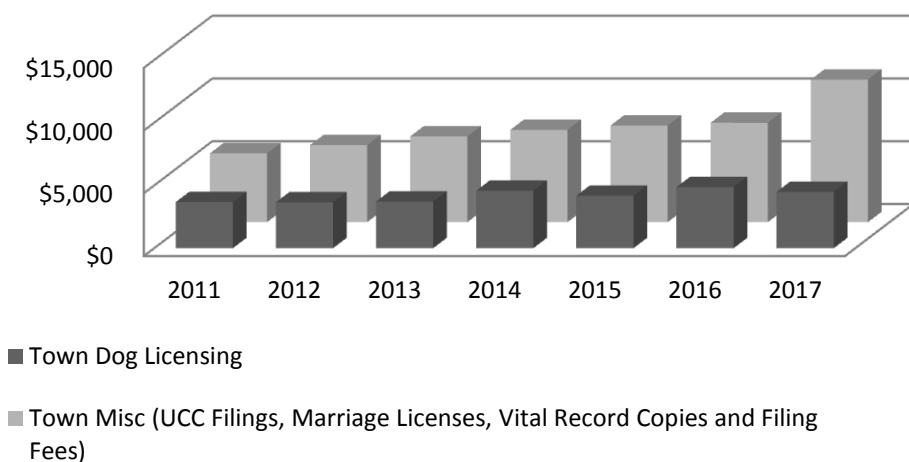

- Bring in your vehicle registration(s) or online renewal notice
- Bring in your driver's license
- Give us an email address for DMV transaction or dog licensing and you can do it online
- Leave your phone in the car, your pocket, or your purse

Respectfully Submitted,
Liselle Dufort, CTC
Town Clerk, Newport NH
