

# **INTERRUPTION OF MOTOR VEHICLE REGISTRATION PROCESSING**

## **FEB. 17-21, 2017**

The NH Department of Safety, Division of Motor Vehicles is pleased to announce that a new computer system (VISION) will be implemented in the month of February. As a result, there will be an interruption of motor vehicle registration processing statewide. Town/City Clerk's offices, along with the DMV offices, will be unable to process new or renewal registrations over the President's Day holiday weekend, beginning Friday, February 17, 2017, and will be resuming transactions on Wednesday, February 22, 2017. Throughout this process, the Town/City Clerk's office may be open for other transactions not related to vehicle registrations during their normal, scheduled hours of operation. Please check with your local municipality for their specific hours during this time.

If you have a new registration, a temporary plate or your registration renewal is due during the month of February, please make sure you are aware of the processing interruption. Please feel free to visit the DMV website at [www.nh.gov/dmv](http://www.nh.gov/dmv) for updates concerning this implementation.
