

TOWN OF NEWPORT, NH
2015 Phosphorous Removal Upgrade Facilities Plan
Project
Request for Qualifications

The Town of Newport is seeking qualified engineering firms to perform engineering services for the Town's Wastewater Treatment Plant Phosphorous Removal Upgrade Facilities Plan Project. All interested firms can obtain a Request for Qualifications at the Public Works Garage in Newport, NH.

Submittals to the RFQ shall be received at the Newport Public Works Department, 15 Sunapee Street, Newport, NH 03773 by 2:00 p.m. on October 23, 2015 to be eligible for consideration.

Larry A. Wiggins, P.E.
