

NOTICE

In response to the Governor's "Stay at Home" order, compliance with the recommendations of the Centers for Disease Control (CDC) and in the interest of public safety to assist with the containment of the COVID 19 virus, the Town of Newport will be closing public access to all of its places of business and work areas, e.g. Town Offices.

By limiting the usual person-to-person interaction, we are hoping to do our part to limit the potential for community spread of the COVID 19 virus and thereby protect our employees and our citizens. This change in our business model will go into effect on Monday, March 30th, 2020 at 5:00 pm. These changes will remain in effect until further notice.

All municipal employees have been deemed to be "essential" and are expected to report for work as normal. Services normally provided by the Town will continue and will be provided via telephone, drop off, e-mail, on-line, curbside or by appointment. Members of the public who have questions, require assistance or who feel that they are in need of an appointment should contact the pertinent office that is responsible for providing the desired service and our staff will be pleased to assist you. Please visit the Town's web page – www.newportnh.gov.

For local assistance, please call any of the following telephone numbers, Monday through Friday, 8:00 am until 5:00 pm:
