April 2013

2nd Annual Easter Candy Hunt

The Newport Recreation Department held their annual Easter candy and egg hunt on Parlin Field's turf runway on Saturday, April 6th. Parlin Field has hosted the event for the last two years. The pilots at Parlin were set to drop 200 bags of candy to the crowd of kids but unfortunately, due to winds gusting over 30mph, the aircraft were not able to fly the candy drop safely. However there was plenty of candy and prizes left by the Easter Bunny all along the turf runway for the kids to gather up. The annual event drew several hundred kids and parents. We hope to have a great event next year as well.

Spring Clean Up

It's almost that time of year again when the Parlin team will be cleaning up the airport in preparation of a host of summer activities and flying. The annual clean-up will involve crack-sealing the paved Runway 18-36, runway and taxiway pavement stripping, debris clean up from the flooding that place over the winter, turf runway rolling and maintenance, and other miscellaneous maintenance items.
