News and Events at the Parlin Field Airport in Newport, New Hampshire

August 2013

A Clear Improvement

For the first time in many years, decades perhaps, the windows on the Callum Community hangar are clear! The old glass had turned opaque and some of the panes had been broken over the years. Thanks to the efforts of the Parlin team, new panes of lexan were purchased and installed on the hangar, making for a vast improvement in the indoor lighting quality during daylight hours. The lexan panes should prove extremely durable over the next several decades!

Mowing it over

We at Parlin Field, would like to extend a shout out to the **Town of Newport Building and Grounds crew** for doing an outstanding job keeping the grass in check this summer. The extensive periods of rain provided ideal growing conditions for the turf runway, the grass safety areas alongside Runway 18-36 and Runway 12-30 as well as several other grass areas at the airport. The Town crews kept Parlin Field looking great for visitors to the area and for each of several events held at the airport so far this summer. **Thanks again!**

13th Annual Airport Open House

Please join us on Saturday, August 17th for the **13th Annual Parlin Field Airport Open House**. A pancake breakfast will be served by the local Boy Scout troop from 8am - noon. Numerous aircraft will be on display and word has it that a guest appearance from a very cool aircraft will occur. **Young Eagles flights** for kids ages 8-17 will be conducted from 10am - 1pm! We hope to see you there!

A Great Evening for Hangar Flying

Wednesday, August 7th was a beautiful night for the monthly Chill & Grill sponsored by Recycled Pilots, LLC. Great food and great people gathered at the Recycled Pilots hangar to enjoy the evening and each others company. The next Chill and Grill will be Aug. 21st.

Upcoming Events
