### **On Town Owned Land:**

- 1) The applicant must have either a "Hawkers/Peddler's" permit from the State of NH, or a Food Service License (renewed annually) from the same.
- 2) The Planning Administrator or Town Manager must approve of the location of the potential set-up.
- 3) The following questions must be answered:
  - a. How long will the set-up remain on site?
  - b. Will you take up any parking or sidewalk space?
  - c. How will trash be taken care of?
  - d. Are the local Booster clubs or athletic teams selling any food items? The applicant must check with the Athletic Director at the High School, or the Athletic League Official (Please note that the Newport Tigers Football Booster Club does sell food items during their season).
  - e. Permission may be rescinded at will by the Town of Newport.

### **On Private land:**
